## From the Desk of Dr. Upendra S. Kinjawadekar, IAP President 2023

Dear fellow academicians,

A very happy and healthy new year to all of you and your family. I'm overwhelmed with emotions as I write to you for the last time as President of Indian Academy of Pediatrics. Two emotions that top it all are the sense of pride and sense of satisfaction. I consider myself very fortunate having been given the mandate to lead this great organisation in its landmark **Diamond Jubilee** year. On the very first day on assuming office, we released a video stressing upon the importance of eco and environment friendly IAP. After spending three years in a row under the threat of the COVID-19 pandemic, 2023 was the first year when the entire world bounced back with newer zeal and enthusiasm and IAP was no exception. After almost four decades we had an opportunity to host the International Pediatric Association congress and after receiving great feedback from across the globe, I must say we indeed did a great job. Special kudos to congress president Dr Bakul Parekh, scientific chair Dr Santosh Soans, IPA President Dr Naveen Thacker and Org Sec Dr Chetan Trivedi. **IPA Pedicon 23** was environment friendly in letter and spirit but we still need to put in a lot of efforts in this direction. Pedicon 23 also gave us an opportunity to honour our past presidents of IAP in front of the international community.

IAP is an organization that has made a deep impact on child health in India for the past many years. I truly believe that IAP is fulfilling its vision of improving child care with a focus on research, and honing our skills as pediatricians. Each day, we provide experiences and opportunities that are second to none. The cornerstone principles of excellence, accountability, transparency, and service-centeredness guide IAP till this day. For the year 2023, we had promised to keep our focus on 5 Ps i.e. **Post graduates, Pediatricians, Parents, Publications and Partnerships**. The **pgREACH** program targeted for training of the post graduates, ran 4 days a week throughout the year and similarly **Academic pearls** for the practicing pediatricians ran every Tuesday on a digital platform. While continuing with our commitment to complete NC-ECD and NRP programs, we introduced 10 new unique modules on topics as varied as Genetics, RACE (high risk newborn), Rheumatology (Rhythm), Understanding Lab tests rationale (ULTRA), Good practices and even Life beyond Pediatrics!

As a part of nationwide celebration of **Azadi ka Amritmahotsav**, IAP individually honoured and expressed its gratitude to its senior members who were born before independence with a certificate of recognition. **FIT IAPan FITTER IAP**, an online pan-India fitness competition held for increasing health awareness, received a huge participation in its very first year.

It is a proof that the greater the vision, the more winners it has the potential to attract. Today, our organization has more than 44,000 member pediatricians leading the way nationwide as we proactively seek out opportunities to integrate and coordinate our efforts locally, nationally, and internationally to create an impact in communities. **Sankalp Sampurna Swasthya (SSS)** a school-based initiative targeted towards prevention of non-communicable diseases was launched in almost all the states of the country and I urge to each one of you to continue participating in this mission by spreading this awareness campaign in your region. **B4E** i.e. Breastfeeding-Early initiation, Exclusive, Every baby and Every place was yet another community outreach program launched this year and I'm happy to share that UNICEF partnered with IAP in conducting workshops across the state of Maharashtra as pilot project. Talking about partnerships, we also launched an **HPV awareness** program with the American cancer society and FOGSI, a **Thalassemia prevention and care** program with ECHO India and partnered with various state governments, ONGC, Apollo SHINE and Rotary for conducting SSS programs. **Saksham** was another initiative taken for increasing awareness about school age vaccination which is still lagging way behind

toddler immunisation. Through experts writing in **nRICH** (new Research In Child Health) we have tried to analyse and present some excellent articles published in reputed journals in a lucid format which is helpful for practicing pediatricians.

Our members are such involved and they want to be a part of something bigger than themselves. We can proudly say any member of this organization has a place where he or she can add value and when we provide effective leadership, it becomes the catalyst to make things happen, to effect change, to accomplish our mission, and to fulfil the vision of our mother body. The long-awaited **constitutional reforms** were accomplished in 2023, which have made IAP more inclusive of its members irrespective of the region they belong to.

The current era is digital, and slowly marching towards AI. Keeping pace with time, IAP has launched a **CPR app** which will be extremely useful even for laypeople to understand and use, and the **Shishu Vikas app** to help IAP members as well as parents to track and monitor the growth, neurodevelopment and even immunisation of newborn babies. IAP is always at the forefront of charitable activities. This year we have distributed 2 **CPR mannikins** to 50 branches each for training of its members and even teachers, policemen, firefighters, ambulance drivers etc. **Prevention of violence against children** was always on the top of IAP's agenda and we have kick started the zonal workshops for training of our members from East zone at Agartala, Tripura. In the month of December, we hosted the **first pediatric obesity conclave** in Mumbai where the new pediatric obesity guidelines were released. I'm delighted to share that the **Transition of care** guidelines of IAP are accepted by MOHFW and soon will be circulated across the country. **Preconception care and new ACVIP 2023 recommendations on immunisation** are some of the other very important publications made in the year. Friends we have so many members who apart from academics, practice and teaching are also excelling in different non-medical fields like community work, farming, sports, music, arts etc. We tried to uncover these **hidden gems** and shared their inspiring stories from all 5 zones in 5 different issues of Child India.

During this year as president, I had tremendous support from all of you and I am both proud and honoured to say that we have moved proactively, transformed our efforts to our vision, remaining at the forefront as pediatric care givers nationwide.

As I conclude my message, I want to congratulate my friend and fellow leader Dr. Vineet Saxena, the honourable secretary general 2022-2023, treasurer Dr Samir Dalwai who was instrumental in resolving certain longstanding financial matters for IAP, and of course, the OB and EB board of 2023 for their value-added contribution and for maintaining order at the core of the organization. IAP is excited to welcome the new class of OB and EB to the Board under the leadership of Dr GV Basavaraja, Dr Vasant Khalatkar and Dr Yogesh Parikh to add to the legacy and to embrace innovation. I would like to take this opportunity to thank everyone including my family for their unwavering support and I am thankful for the opportunity to serve as your president of 2023 year and will remain always grateful for the trust and confidence that you have shown in me.

I bid adieu wishing for perfect health and happiness for all the IAPans, their families and of course the children of this great country.

Yours in academy,

Dr Upendra S Kinjawadekar  
IAP President 2023

**From The Desk of Dr. G. V. Basavaraja, IAP President, 2024**

Dear fellow academicians,

I wish you all a very happy and prosperous new year 2024. It is a matter of pride to pen down the message for the annual report of Indian Academy of Pediatrics. Secretariat is bringing out the annual report to inform the members about the activities carried out throughout the year. My heart fills with immense pleasure as I perceive the progress being made at IAP last year.

For years, IAP have been serving the community with compassion, courage, humility, and integrity. Now, collectively, as it is essential for an organization to evolve we are setting bold ambitious goals to meet the needs of nation and started pushing our services globally. The entire purpose of IAP is not only to restrict our service as providers in knowledge, attitude, and skills to members in Pediatrics but also has a purpose to inculcate comprehensive coverage and care with humanitarian values and ethics.

I congratulate Dr. Upendra S. Kinjawadekar, IAP President 2023 for his exceptional leadership, I sincerely appreciate Dr. Vineet Saxena for running the secretariat for past 2 years with his unwavering enthusiasm and dedication and I would also like to congratulate entire EB 2023 for your tireless work and commitment. You all truly embraced the meaning of teamwork. I am sure that the activities in this annual report reflect your hard work and team spirit which is going to not only inspire every IAPian to grow but also will foster to expand our service and commitment towards the community.

Looking ahead, I welcome all the new OB, EB members on board of 2024, hoping the year will bring us new achievements and more possibilities. Let us together lead the way to a better future and a world of change, keeping in mind that every child is important.

The future is bright for IAP.

Yours in academy,

Dr. G. V. Basavaraja  
IAP President, 2024

**From the Desk of Dr. Remesh Kumar R., IAP President 2022**

Dear fellow Academicians,

Greetings for a happy and prosperous new year 2024!!

Indian Academy of Pediatrics has carved a deep niche in health and wellbeing of children of our country. As we continue to increase diversity and inclusiveness for our members, our efforts are centred around the mission and vision of the mother body to improve the child care by focusing on research, and service by honing our skills as pediatricians. Today our organization has more than 44,000 member Pediatricians which allowed us to widen our spirit and expand our outreach nationwide.

As we have become a larger and greater society, we also expand our engagement of members to integrate and coordinate our efforts locally, nationally, and internationally. I am proud to say that liberal patronage, dynamic leadership, and energetic dedication of all our members have nurtured IAP over the years to become a favoured destination of the Pediatricians. Over the years, IAP has targeted prevention and care, and the impact of IAP's role is tremendous in the community which surely has significantly improved the national health outcomes. This annual report magazine briefs all our strategic plans in the year 2023.

I sincerely congratulate our front leaders Dr Upendra S Kinjawadekar President, 2023 and Dr. Vineet Saxena Honourable Secretary General 2022-2023 and of course the year's OB and EB for their multifaceted contributions to maintain the body in the top notch in the comity of medical organisations. IAP is excited to welcome the new team of Office Bearers and Executive Board to build on the legacy and to embrace innovation.

Our academy has lived up to the stature built up over the years by our illustrious predecessors and has always been standing tall with the commitment of its members to the declared mission and goals for bettering child health in the country. Let us move together and make ourselves proud as noble custodians of child welfare.

Wishing you all an enjoyable year of professional and academic excellence ahead !

Yours in Academy,

Jai IAP, Jai Hind !

Dr Remesh Kumar R  
President IAP 2022

## Honorary Secretary General Message, Dr. Vineet K. Saxena

Dear Esteemed Members of IAP,

It was an honour to be entrusted with the huge responsibility to steer IAP to greater heights and glory. If I could achieve our goals of combining academics with social outreach, it was because of the great team of IAP 2023 led by President Dr. Upendra Kinjawadekar and the efforts of our hardworking members. With great pleasure, I am presenting a brief report on the activities of central IAP in Academy year 2023.

This year it was a sign of great progress that our membership strength has raised to 44,143 by the year end from 40072 in January. We have updated 1600 member's personal details 98 branches registration details in our system this year. As IAP grows, now we have 1 Foreign Branch ,32 State Branches, 337 Local / City / District Branches across 5 zones of country,7 affiliations/ collaboration and 16 sub-committees in the year 2023 for furtherance of IAP 's aims & objects. IAP now has 22 Sub-specialty Chapters and 8 interest groups for promotion of Sub-specialties in Pediatrics and this year A Memorandum of Understanding is made between IAP and chapters/groups describes the proposed terms that will govern the collaboration. This MoU is signed by 13 Sub-specialty Chapters and 3 Groups so far.

During the year 2023 CIAP could successfully conduct 3 General Body Meeting,5 Executive Board Meeting, 7 Office Bearers meeting and 131 other meetings. We now have 2 more added branches named Academy of Pediatrics Mayurbhanj and Villupuram Pediatric Society providing greater opportunities for our members to contribute to the cause of IAP. It gives me an immense sense of pride and respect as a fellow IAP member, to share the news that this year our academy has hosted the 30th International Pediatric Association (IPA) Congress and 60th Annual Conference of the Indian Academy of Pediatrics (IAP) which was held from 19th to 23rd February, at the Mahatma Mandir Convention and Exhibition Centre Gandhinagar, Gujarat, under the theme "Quality Care for Every Child Everywhere" and was attended by more than 6,500 delegates. This event has brought together several paediatricians, researchers, and healthcare professionals worldwide to discuss the latest advancements in Pediatric care, research, and education.

IAP has implemented one of its flagship program NC ECD programs with the support of Johnson and Johnson successfully and 168 NC ECD workshops were conducted altogether in this year. Also, I am happy to share that under our NRP programme 672courses were conducted and total of 19,819 health care providers were trained this year. The NRP programme basically involves, training of healthcare professionals and workers in neonatal resuscitation and essential new-born care to have at least one trained person at every delivery point.

Along with the flagship activities 13 new academic modules in various subspecialties floated in the year and kept the branches on toes. 537 workshops under these 13 modules were conducted under presidential action plan 2023. Our President invigorates the national initiative of IAP, SSS (Sankalp: Sampurna Swasthya) programme by focusing the communities and conducting it as school-based, innovative, and holistic programme with high focus on prevention of noncommunicable diseases (NCD). More than 2 lakh beneficiaries have benefited under SSS programme in 2023.

It was a great honour and privilege that IAP was invited by **American Academy of Pediatrics** at their annual conference in Washington DC on 21<sup>st</sup> October 2023, in the Global Child Health Symposia. Our President Dr Upendra S Kinjawadekar presented IAP's various initiatives, in particular NC ECD and SSS programme.

With great pleasure and enthusiasm IAP as every year celebrated the annual day and week observances in 2023 as well and from this year the 2023 executive board tried to scatter activities throughout the year, so dates of IAP Days and Week Celebration has been revised. And as every year, this year also we saw our mother body taking initiative for the community and charity activities in a big scale. Relief fund donated to IAP Himachal Pradesh State Branch under 'Aapda Rahat' – to tackle natural calamities and CPR Mannequins distributions were the 2 main philanthropic works of IAP this year..

The regular flagship academic journals of Central IAP, Indian Pediatrics, The Indian Journal of Practical Pediatrics, and drug formulary were in full swing. Similarly, monthly e- newsletter of IAP 'Child India' is sent by mass e mail to all Members and every issue is archived on our website - [www.iapindia.org](http://www.iapindia.org) . "Family Benefit Scheme" of Central IAP for providing financial help to the families served their mission to care and share with transparency and sincerity and has been a promising scheme this year too.

Central IAP have been able to provide a single point access to all IAP portals through the revamped IAP website and the introduction of the PEDCARD. The PEDCARD mobile app once installed on home screen can take to any IAP site or activity with a single click. Apart from this, the Pedcard will be offering loyalty services on purchase of academic subscriptions like Uptodate/ Clinical Key/ books from Jaypee Brothers and products of many hospitality and retailer industries in the near future.

This year IAP is privileged to award 'Honorary Fellowship of Indian Academy of Pediatrics (HFIAP)' to Prof. Aman Pulungan and Dr. Devendra Khandait and decided to nominate our 34 members for the Fellowship of Indian Academy of Pediatrics (FIAP) for the year 2023. These Awards has been bestowed based on the contributions they have given to the Academy as well as to the Child Welfare at large over the years.

I would like to conclude here congratulating and thanking my OB & EB Team 2023 as well as each one of my member friends for their tireless efforts and performance, support, guidance and most importantly the constructive criticism extended to the IAP Secretariat. I am certain that with the continued proactive involvement of my colleagues across the all-IAP branches, the IAP activities are soon to have maximum visibility in every nook and corner of the country.

Team 2024 under the vibrant dynamic President Dr G V Basavaraja is sure to take IAP to greater heights and ensure digital presence in all branches across the country. I would also like to congratulate, President Elect 2024 – Dr Vasant Khalatkar, Secretary General – Dr Yogesh Parikh, National Treasurer (First time in IAP History) Dr Atanu Bhatra, Joint Secretary Admin – Dr Paramanand Andankar, Joint Secretary Liaison – Dr Ruchira Gupta, All Vice Presidents, and Executive Board members 2024

Last but not the least I sincerely thank the Central IAP office staff for the constant support extended to the OB & congratulate them for the sincere efforts from their end in keeping the CIAP flag high.

Yours in Academy,

Dr. Vineet K Saxena  
Secretary General, IAP 2022 & 2023

### Message from Honorary Treasurer, Dr. Samir Hasan Dalwai

My Dear Fellow IAPians,

Wishing you all a very happy and prosperous 2024!

I hope you and your family are healthy and doing well.

First of all, let me thank President 2023, Dr Upendra Kinjawadekar, President 2022, Dr Remesh Kumar R, and President Elect 2023, Dr Basavaraj for their guidance and support in managing the treasury across the various Presidential Action Plans and other activities of IAP.

I am deeply thankful to our Secretary General, Dr Vineet Saxena, who was a huge pillar of strength and support. I am also grateful to Joint Secretary (Admin), Dr Purna Kurkure, Joint Secretary (Liaison) Dr Alok Bhandari, all Vice Presidents, Executive Board members 2023 and the Honourable Members of the IAP Finance Committee for their continued support and guidance to me, with regards to all the administrative responsibilities as National Treasurer. We, at CIAP, worked as a TEAM to achieve the goals in keeping with the Government Policies and Programs in the field of Pediatrics and child health and the Constitution of IAP.

It is a great pleasure sharing with you that our long-standing matter of Service Tax against IAP amounting to more than a few crores, plus penalty and interest, since 2013-14, has been dropped with an order passed by the Commissioner's office to that effect. It was with the support of our seniors that I could pursue this long-standing matter diligently over two years and bring it to a fruitful conclusion for our organisation. I am also grateful to our CIAP office staff for their dedication and commitment to support me in this endeavour over the past two years to get this resolved.

It gives me an immense pleasure to present before you the audited accounts for the year ended 31st March 2023. The budget for the year 1st April 2024 to 31st March 2025 will be projected by incoming Treasurer, Dr Bhadra. As of March 31st, 2023 - our Corpus Fund is Rs. 35 crores and the fixed deposits stand at Rs 47 crores. Whereas for the current year (2022-2023) our expenditure was Rs 43.83 crores against income Rs 50.41 Crores and consolidated surplus was 11.63 crores (After earmarked fund)

I congratulate incoming President 2024 – Dr Basavaraja, President Elect 2024 – Dr Vasant Khalatkar, all Vice Presidents, Secretary General – Dr Yogesh Parikh, Joint Secretary (Admin) – Dr Paramanand Andankar, Joint Secretary (Liaison) – Dr Ruchira Gupta, , and Executive Board members 2024. I am especially happy to welcome Treasurer 2024, Dr Atanu Bhadra and to relinquish charge of the treasury with my sincere commitment to support him in all his activities to ensure a smooth transition.

I wish to thank each one of you for your unstinted support and encouragement to me during my position as National Treasurer 2022-2023. There were innumerable challenges, but none that could not be surmounted with your tremendous support, trust and affection. I look back with satisfaction as I complete my tenure as Treasurer for 2022 and 2023, with the treasury placed solidly to support all future endeavours of the IAP. I also wish to express my sincere gratitude to the CIAP staff, especially Mr Cyprian D'Souza.

I will look back fondly at my interaction with many of you over the past six years, as Executive Board Member 2018 and 2019, Joint Secretary (Admin) 2020-21 and Treasurer 2022-23. It was a period of tremendous learning for me and I wish to place on record the amazing support and mentorship I had from Dr Santosh Soans, Dr Digant Shastri, Dr Bakul Parekh, Dr Piyush Gupta, Dr Remesh Kumar, Dr Upendra Kinjawadekar and Dr GK Basavaraj. Your guidance has been a blessing and an opportunity of much learning and growth. Your leadership and humility will always continue to be a source of inspiration to me.

Finally, my gratitude to our mother organisation, IAP, for her nurturing embrace and all-encompassing love to me, as to all our members. I shall always remain indebted and grateful! And I wish and pray all of you get an opportunity to serve our mother organisation and learn and grow as I could.

Thank you once again.

With warm regards,

Yours in Academy Service,

Dr Samir H Dalwai,  
Treasurer, CIAP 2022 & 2023

**AGENDA:****1. Confirmation of the minutes of the Annual General Body Meeting held on 21<sup>st</sup> March 2022 at Noida.**

Secretary General, Dr. Vineet K Saxena informed the members that the e-copy of the Annual Report of the society was circulated to the members and hard copy of the same is distributed to the members present in the meeting. He invited their comments on the same. As there was no suggestion for alteration / addition / deletion in the minutes, the same were accepted unanimously.

Proposed by: Dr MMA Faridi

Seconded by: Dr Vijay Yewale.

**2. Business arising out of the minutes.**

Dr Nitin Shah raised the point that business arising from the minutes' agenda is an opportunity for discussing problems or questions from a previous meeting or status report should be addressed in the last meeting

Secretary General Dr Vineet Saxena appreciated the suggestion and assured that it will be implemented from next year.

**3. Consideration and adoption of Annual Report of the Society.**

The Secretary General, Dr Vineet K Saxena informed the members that the hard copies of the Annual Report 2022 of the Society are circulated amongst the members for ready reference. The soft copy of the report was circulated amongst all the members by mass mail earlier on 3<sup>rd</sup> February 2023.

The same was accepted unanimously proposed by Dr Nitin Shah and Seconded by Dr B N Tripathi

**4. Consideration and adoption of the audited Statement of Accounts for the year ended 31<sup>st</sup> March 2022 and the Budget for the year 2023-2024.**

The Treasurer, Dr. Samir Hasan Dalwai presented the audited Statement of Accounts for the year ended 31st March 2022.

The Members discussed on the following points in the meeting:

**1) Royalty from Publisher and Complimentary Copy of Book to Author:**

Dr. Alok Gupta raised the point regarding the royalty from the publishers (Jaypee) and also suggested that a complimentary copy of the book should go to each author of the book as well. He asked for clarification on how the royalty was calculated and distributed among the authors.

Treasurer, Dr. Samir Hasan Dalwai explained that the royalty was based on a percentage of sales and that it was divided equally among all authors who contributed to the book. He also agreed that complimentary copies should be given to the authors.

President, Dr Upendra Kinjawadekar appreciated the suggestion and agreed to consider it.

**2) Utilization of the Property:**

Dr Dhananjay Shah informed about the Kamdhenu Business Bay and Kailash Darshan property. He proposed to lease or selling of the 4<sup>th</sup> Floor of Kamdhenu Business Bay or Kailash Darshan property (one of them) and generate funds from it. He recommended to form a committee for this purpose.

President, Dr Upendra Kinjawadekar updated the house that the Kailash Darshan property was already rented out. He also said that the Kamdhenu Business Bay property was well utilized as office space for organizing programs like ToTs, workshops, book publication and small functions on the 4<sup>th</sup> Floor.

**3) Pricing of the Books of IAP should be controlled by IAP.**

The book pricing issue was discussed by the members, who felt that it was too high and made it hard to buy. They suggested that IAP should have some control over the prices of the books.

President, Dr Upendra Kinjawadekar told the house that all IAP books were available at discounted rates for IAP members. He also said that the books could be bought at lower prices using the IAP Pedcard portal.

**4) Two FCRA Bank Account –**

During the discussion some members have raised the points regarding Two FCRA bank Account, they have suggested that we should not have two accounts.

Treasurer, Dr Samir Dalwai Explained that The Foreign Contribution (Regulation) Amendment Act 2020 has been notified by the Central Government on 29<sup>th</sup> September 2020, to amend certain provisions of the Foreign Contribution (Regulation) Act 2010 (Act / FCRA). **The Amendment Act substitutes section 17 of FCRA which required the recipient of foreign contribution to receive such amount only in an account designated as “FCRA Account” opened in a branch of the State Bank of India (SBI) at New Delhi. The legislative intent of the amendment appears to be to centralize the inflow and routing of foreign contribution, making it easier for the Government to monitor such contributions.**

Government has now issued a notification on 7<sup>th</sup> October 2020, pursuant to which the Government has specified SBI, New Delhi Main Branch, 11, Sansad Marg, New Delhi-110001 as the branch for the purposes of the said sub-section.

Accordingly, FCRA registered persons/entities should get the FCRA Accounts opened with SBI, New Delhi Main Branch expeditiously before they can re-commence receiving any new foreign contribution. Thus, in order to comply with above amendment in the Law, IAP had to open second FCRA Bank Account with SBI-New Delhi Main Branch apart from its regular FCRA Account with Bank of Baroda.

**1) Bank of Baroda – Opera House Branch - opened on March 17, 2010**

**2) State Bank of India – New Delhi Branch - opened on July 31, 2021**

Presently the Bank of Baroda account is utilized for old fund. No fund is credited to this account after July 31, 2021.

**5) Three Columns in Financial Statements**

Treasurer, Dr Samir Dalwai briefed the house that for simplification purpose, the financial statements have 3 Columns as it helps to provide additional details in Breakup for Current Financial Year.

- First column shows Ledger wise amount
- Second column shows Consolidated/Group Total Amount
- Third column shows the Previous Year amount as required by Law.

**6) Balance of Various Earmark Funds transferred to Single Ledger.**

Members have raised the query regarding Balance of Various Earmark Funds transferred to Single Ledger. Dr Samir Dalwai explained that balances in various earmark ledgers were carried forward and lying unused for many years.

This would have raised question in future Income Tax Assessments. Thus, as per suggestion from Statutory Auditor, we have transferred all such Funds to single Ledger – “**Various Fund for Action Plan**” which shall be utilized in due course of time for various Action Plan Projects of IAP in coming three years i.e. 2023, 2024 & 2025.

**7) Explanation on Pedicon 2022- Advances**

Members raised the query about the Rs. 10,000,00/- as Pedicon advances. Treasurer, Dr Samir Dalwai explained that it is Pedicon bidding amount Rs. 5,00,000/- from IAP Twin cities branch and Rs. 5,00,000/- from IAP Cochin Branch.

**8) Payable – Pending**

The said ledger is treated as Sundry account as there are many instances wherein payments details received from Members are incomplete and thus, we are not able to allocate such amounts to respective ledgers. As and when we receive information from Members, we transfer the said amount from this ledger to respective Ledger like Life Membership Fund, Admission Fund etc.

**9) TDS Receivable – Rs. 3,26,34,750.69/-**

IAP has filed Appeals against Income Tax orders for various Assessment Years. The said TDS Amount will be released by Income Tax Department after due-discharge of Appeal Orders. This matter has been discussed on numerous occasions at Finance Committee, Office Bearers Meeting and Executive Board Meetings.

(Dr Ramesh Goyal, suggested to pay the dues onetime and close this matter)

- 10)** Dr Nitin Shah suggested that the internal auditor or Charter Accountant of IAP should be present for the General Body Meeting to give more fiber inuts on members queries. Though a resolution to this effect was not passed, the President assured to continue this suggestion for next General Body Meeting.

**5. Appointment of Auditors and fixing their remuneration for 2023-24.**

Secretary General, Dr Vineet K Saxena informed to the house that the remuneration of **Rs. 1,20,000/-** for the year 2022 – 2023 has been paid to M/s. B. K. Patwardhan & Co., the statutory auditors of IAP. He also proposed the extension of the services for another year. The house authorized the extension of their services for another year, with the same remuneration for 2023 - 2024.

Proposed By: Dr Jayant Upadhye

Seconded By: Dr Alok Gupta

**6. Appointment of Honorary Legal Advisor for 2023-24.**

The house authorized the office bearers to appoint legal advisors on a case-by-case basis, depending on the nature and requirements of each case. The office bearers may choose different legal advisors for different cases, as per their discretion and expertise. The fees of the legal advisors will be paid on a case-by-case basis, as per the terms and conditions agreed upon by both parties.

**7. Matters related to IAP Charity Activity.**

Secretary General Dr Vineet Saxena informed that last year there was an unprecedented crisis in Sri Lanka and we have sent Medicine of approximate **Rs. 17 lacs** to Sri Lankan govt through Sri Lankan College of Pediatrics. Presidential Action Plan U5MR by 2025 we have distributed superhero kits at Weaker Section through govt officials and We have spent of approximate **Rs. 18.5 lacs** in this activity under charity.

**8. Consideration of matters related to IAP Election for 2024.**

The Hon. Secretary General, Dr Vineet K Saxena informed the members that IAP Election Committee has been appointed by the Executive Board to conduct of IAP Election for the year 2024.

The committee comprises of following members:

<b>DESIGNATION</b>	<b>Member Name</b>
Chief Election Commissioner	Dr Paleti Durga Prasad
Election Commissioner (South Zone)	Dr Ravishankara M
Election Commissioner (North Zone)	Dr Ap Dubey
Election Commissioner (West Zone)	Dr Yashwant Patil

The same was accepted unanimously.

Proposed by: Dr Jeetendra Gavhane

Seconded by: Dr Chetan Trivedi

#### **9. Information of IAP Executive Board Members of the year 2023**

This agenda has been already discussed at the beginning of the meeting.

#### **10. Matters related to 61<sup>st</sup> IAP Pedicon 2024.**

### JOURNAL - INDIAN PEDIATRICS

Indian Pediatrics is the official monthly journal of IAP. It is indexed by leading international services including Index Medicus. The journal began publication in 1963. Indian Pediatrics has a permanent Editorial Office situated at New Delhi, India. It is published monthly and has a current circulation of print/e-copies about 30,000. Indian Pediatrics is provided complimentary to members of the IAP and on subscription to individuals and institutions. The journal gives priority to reports of outstanding clinical and experimental work as well as important contributions related to common and topical problems in India and the developing countries.

The general objective of Indian Pediatrics is “To promote the science and practice of Pediatrics.” An important guiding principle has been the simultaneous need to inform, educate and entertain the target audience. The specific key objectives are:

- To publish original, relevant, well researched peer reviewed articles on issues related to child health.
- To provide continuing education to support informed clinical decisions and research.

- To foster responsible and balanced debate on controversial issues that affect child health, including non-clinical areas such as ethics, law, environment, and economics.
- To report Indian academy of paediatrics policy, as appropriate, while maintaining editorial independence, objectivity, and responsibility.
- To achieve the highest level of ethical medical journalism and to produce a publication that is timely, credible, and enjoyable to read.

### **INDIAN JOURNAL OF PRACTICAL PEDIATRICS**

The Indian Journal of Practical Pediatrics is a quarterly medical journal committed to practical Pediatric problems and update in management, is a subscription journal and one of the official journals of Indian Academy of Pediatrics. The objective is to update the knowledge and skills of pediatricians and general practitioners, particularly physicians in non-teaching institutions and rural areas, on practical management aspects of the common Pediatric problems.

### **FAMILY BENEFIT SOCIETY OF IAP (FBS)**

FBS is for the Members, by the Members and of the Members, a mutually beneficial, compassionate, and benevolent scheme, with Hyderabad as its Headquarters. "Family Benefit Scheme" of Central Indian Academy of Pediatrics is to provide financial help to the families of the members of FBS in case of death of a member. The mission is to care and share with transparency and sincerity.

### **IAP ALS & BLS**

The ALS & BLS courses have been widely acknowledged across the country and a lot many enquiries for conducting the courses are coming up from the branches.

### **CHILD INDIA – MONTHLY E NEWSLETTER**

Child India – monthly e newsletter of IAP that is sent by mass e mail to all Members of IAP has been on the IAP calendar for the past 5 years. Every issue is archived on [www.iapindia.org](http://www.iapindia.org). It contains IAP President's engagements, IAP President and HSGs monthly message to IAP members, IAP activities of IAP Branches that contribute and deliberations of any 1 topic for that month by experts in that field.

### **GOOD WORD AND NRICH BULLETINS**

Good word is the monthly bulletin of IAP published on 18<sup>th</sup> of every month and Nrich -Newer Research and recommendations In Child Health is the weekly bulletin aims to bring the abstracts of some of the breakthrough developments in pediatrics, carefully selected from reputed journals published worldwide. Students and practitioners are immensely benefitted by this endeavor which is published online on every Monday.

### **DRUG FORMULARY**

The IAP Drug Formulary (IAP DF), first published in 2004-2005, has continued to offer its service to the Pediatric specialists in our country and abroad, being the only exclusively Pediatric formulary in the world, other than the British National Formulary for Children (BNFc). The Web Updates are a quarterly exercise where new drugs, changes in use of drugs and new recommendations for drug therapy of Pediatric illnesses are updated. The textbook, the online version, the IAP Drug Formulary mob app and the Pocket Dose Book, make the IAP DF a wholesome product.

### **IAP PED CARD**

Central IAP have been able to provide a single point access to all IAP portals through the revamped IAP website and the introduction of the PEDCARD. Self updation of member data and profile is an important feature in the new web site. The PEDCARD mobile app once installed on home screen can take to any IAP site or activity with a single click. Apart from this, the Pedcard will be offering loyalty services on purchase of academic subscriptions like Uptodate/ Clinical Key/ books from Jaypee Brothers and products of many hospitality and retailer industries in the near future.

**M/s Academy of Pediatrics, Noida**  
**Notes on Accounts forming part of Financial Statements**

Overview Of the Company

Academy of Pediatrics Noida is an association of Pediatrics of Noida, Gautam Budh Nagar.

**1.0 Statement of Significant Accounting Policies :**

**1.1 Basis of Preparation of Financial Statements**

The Financial Statements have been prepared on accrual basis under historical cost convention and in accordance with the applicable accounting standards prescribed by the Institute of Chartered Accountants of India (ICAI). The accounting policies are consistently applied unless otherwise stated.

**1.2 Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management of the company to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent liabilities at the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/ materialised.

**1.3 Revenue Recognition**

Revenue is recognized to the extent that it is possible in the light of bye laws of the society and applicable laws with regard to the same.

**3.0 Provisions, Contingent Liabilities and Contingent Assets:**

A provision is recognised when the company has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are not recognised as there exist no contingent liability. Contingent Assets are neither recognised nor disclosed in the financial statements.

**4.0 Cash and cash equivalent:**

Cash and cash equivalents for the purpose of financial statement comprise cash at bank and in hand.

**5.0 General**

Any other accounting policy not specifically referred to are consistent with generally accepted accounting principles.

**= Notes on Accounts**

Membership Fees received during the year forms part of Corpus and can not be expended, hence the same has been accounted for in the corpus.

Sponsorship received from any person towards organisation of events are revenue receipts.

## **INDIAN ACADEMY OF PEDIATRICS**

The Indian Academy of Pediatrics was formed by amalgamation of the Association of the Pediatricians of India and the Indian Pediatric Society at its joint conference held in 1963 at Hyderabad. It has now grown over the years to more than 45000 members, 31 State Branches, 376 Regional / District / City Branches, 22 pediatric subspecialty chapters, 8 Interest Groups and 1 Cell.

### **MISSION STATEMENT**

The Indian Academy of Pediatrics dedicates its efforts and resources to the improvement of the health and well being of all children and strives for achievement of optimum growth, development and health in the physical, emotional, mental, social and spiritual realms of all children irrespective of diversities of their backgrounds. The Academy shall fulfill the mission through the following activities.

### **PROFESSIONAL EDUCATION & IMPROVEMENT**

Provide and promote ethical professional standards, education and training for improvement of knowledge, attitude and skills of members in pediatrics in its widest sense.

### **SUPPORT FOR PEDIATRICIANS**

Remain the spoke medium of appropriate training of medical and related supportive professionals involved in childcare, thus make pediatricians the best-equipped professionals for care of children.

### **MEMBERSHIP SERVICE**

Provide services, benefits and recognition to assist and support the members for meeting the needs and challenges inherent in pursuing our missions.

### **EDUCATION OF PARENTS AND THE PUBLIC**

Facilitate education of parents, the public and policy makers on their role in the promotion of health and well being of children at home, in school and in other situations.

### **CONSULTANCY**

Provide expertise and scientific inputs to individuals, organizations, institutions and government and its agencies in the areas of child health, by playing a proactive role in Consultative Committees / Task Forces / Boards constituted by the Government and/or its agencies in matters related to child health.
