From the Desk of Dr. Remesh Kumar R., IAP President 2022

Bidding adieu IAP Year 2022 - My lovely Dears, I just walked behind you only; and You made it happen awesome 🙌👏

Dear Friends,

The year 2022 was quite exciting and invigorating, with the Covid blues quickly moving out and people racing out of the covid shell. And at IAP too, our Friends started rejoicing “Academics with Camaraderie” and the infectious vibe was too contagious that we had an unbelievable number of physical activities across the country this year. Our membership too have been growing at a quick pace of around 1500 new members per year, taking us past the magic figure of 40K to 40034 as on Dec 31st 2022. We had 9 new district branches coming up this year providing greater opportunities for our members to contribute to the cause of IAP.

PEDICON 2022, the National Conference of the Academy at Noida gave Central IAP the much needed confidence and belief that Covid has not shaken the spirit of the IAPians. Along with the flagship activities of the yester years like NRP, NC ECD & NTEP, the 13 new academic modules in various sub specialties floated in the year kept the branches on the toes.

CIAP could successfully enlist around 240 out of its 343 branches in this year’s activities and much more heartening was the fact that as many as 40 of them were undertaking CIAP activities for the 1st time. Initiating academic and community activities under the banner of Kashmir branch of IAP has been a long awaited dream which got materialized in Nov 2022. We could successfully launch the UK & Bahrain branches of the Academy this year.

The Standard Treatment Guidelines in Pediatric Office Practice have been meticulously reaching our members every Monday, Wednesday & Friday from the 1st of Jan 2022 itself. It is quite heartening to note that more than 75% of the authors for STG are young debutants and we wish to see them contribute to the academic corpus of IAP in a big way in the years to come.

We had the 3rd updated edition of IAP Immunisation Book (PURPLE BOOK) & the Standard Treatment Guidelines - STG Book released at our Navi Mumbai IAP Office at the celebrated hands of the living legend of Pediatrics Dr Y K Amdekar. The Immunisation Book will be delivered complimentary at the doorstep of every IAP member by Jan 31st 2023.

The year also saw our mother body taking up community and charity activities in a big scale. The U5MR 25 by 2025 project which focused on 57 high burden aspirational districts with a Under Five Mortality Rate more than 50 has taken off with much zeal and enthusiasm with our District Champions passionately behind it and UNICEF and District Health administrations proactively facilitating the initiative. The distribution of Superhero Kits with items which focused on strong messages on Undernutrition & Anemia was launched on Children’s Day at Barabanki in Uthar Pradesh. These kits, each worth around Rs. 1000/- have already been distributed to 2800 under privileged children and another 3000 are ready to be distributed (100 families each in the selected 50 districts) and this project is to be continued as a Charity Project from Central IAP, with deserving children as direct beneficiaries.

Central IAP have been able to provide a single point access to all IAP portals through the revamped IAP website and the introduction of the PEDCARD. Self updation of member data and profile is an important feature in the new web site. The PEDCARD mobile app once installed on your home screen can take you to any IAP site or activity with a single click. Apart from this, the Pedcard will be offering loyalty services on purchase of academic subscriptions like Uptodate/ Clinical Key/ books from Jaypee Brothers and products of many hospitality and retailer industries in the near future.

The regular flagship academic journals of Central IAP ,Indian Pediatrics & Indian Journal of Practical Pediatrics and the Drug Formulary were in full swing last year.

I would like to congratulate all the 40000 plus members in IAP Family for their whole hearted involvement to keep the IAP flag flying high all through. My sincere gratitude to all the 2022 OB & EB members for their unstinted support and for keeping the team inspired throughout the year .I am short of words to thank my HSG Dr Vineet Saxena who was a man on mission, who never compromised on work ethics and had the systems in full operational mode from day 1 itself. The Office Staff of Indian Academy of Pediatrics have always been there supporting our endeavours with true professionalism and commitment.

Friends, IAP has lived up to the legacy built up over the years by our illustrious predecessors and has always been standing tall with its commitment of its members to the declared mission and goals of bettering child health in the country. Let's move together and make ourselves proud as noble custodians of child welfare.

I sincerely wish the new Team led by Dr Upendra Kinjawadekar, Dr Basavaraj & Dr Vineet Saxena a most fruitful year at the helm of Indian Academy of Pediatrics.

Wishing all my DEARS in IAP Family a very Happy and Prosperous New Year, I am signing off from the Presidency of Indian Academy of Pediatrics. I will always continue to be there as a true soldier of the Academy all through my life.

Loving Regards

Jai IAP, Jai Hind

Remesh Kumar.R

President IAP 2022

From The Desk of Dr. Upendra S. Kinjawadekar, IAP President, 2023

Dear fellow academicians,

A very happy & healthy new year to all of you and your family.

The year 2021 ended with the threat of the Omicron variant of SARS-COV-2, due to which we had to postpone our annual conference 'PEDICON' by almost two months; until the surge subsided. A year later, coincidentally, while we have been feeling optimistic about the pandemic being in steady decline, the threat of another variant might be looming over the horizon again. I hope and pray that these fears are disregarded soon, and the worst is now behind us.

The COVID-19 pandemic upended health systems globally, causing enormous suffering and turmoil for the entire world, and leading to a pivotal shift in the way physicians practice and deliver care to their patients. However, despite the challenges COVID-19 presented, it also gave us reason to work towards strengthening our health care system, making it infrastructurally robust and more empathetic to patients' needs. I must congratulate IAP President Dr Remesh Kumar, HSG DR Vineet Saxena and the entire EB of 2022 for ensuring a seamless shift of IAP's academic activities into physical mode again, tirelessly conducting community outreach programs through U5MR, and helping our members navigate the pandemic response to continue providing high-quality, cost-efficient care for all patients through STG guidelines.

Post PEDICON, our President Dr Remesh Kumar travelled the length and breadth of the country, re-invigorating our organizational comradery and ensuring that academics never took a back seat. Looking ahead, I heartily welcome my dear friend and IAP President elect 2023 Dr GV Basavaraja, all the newly elected OB, EB members on board of 2023, and assure every IAPan that we shall continue to seize every opportunity for organizational improvement that we get. IAP is poised for an unprecedented growth in the coming years, reaching a membership strength of almost 40,000 in the next year! As we welcome our new members on board, I re-iterate our total commitment to the cause health and wellbeing of children in the coming year.

Yours in academy

Dr Upendra Kinjawadekar

National President 2023

Indian Academy of Pediatrics

From the Desk of Dr. Piyush Gupta, IAP President, 2021

Dear Fellow Academicians,

I Wish you all a very happy and prosperous new year 2023. It gives me immense pleasure that Indian Academy of Pediatrics – Secretariat is bringing out the annual report to inform members about the activities carried out throughout the year. In addition, the document makes the organisation's presence felt on a larger scale.

I am grateful for being able to express my heartfelt gratitude to you all for your ever-appreciative and extremely encouraging support in Academy over the years.

I congratulate Dr Remesh Kumar R, President Indian Academy of Pediatrics 2022, for his excellent work. I sincerely appreciate the efforts put in by Dr Vineet K. Saxena, Honorary Secretary, Indian Academy of Pediatrics, for running the Secretariat for one year. Good coordination between the President and Secretary made a plethora of activities possible across the country.

I look forward to meeting you all at Gandhidham, Gujarat, during the 30th IPA Congress & 60th PEDICON 2023. and await our beloved and dynamic incoming President, Dr Upendra S. Kinjawadekar, to unveil his plans for 2023. I wish him all the best for a very successful year in 2023.

Yours in Academy,

Prof. Piyush Gupta

Honorary Secretary General Message, Dr. Vineet K. Saxena**Honorary Secretary General Message, Dr. Vineet K. Saxena**

Dear Esteemed Members of IAP,

It was an honour to be entrusted with the huge responsibility to steer IAP to greater heights & glory. If we could achieve our goals of combining Academics with Social out reach, it was because of the great Team IAP of 2022 led by President Remesh Kumar and the efforts of our hardworking members. With great pleasure, I am presenting a brief report on the activities of Central IAP in the Academy Year 2022.

PEDICON 2022

IAP PEDICON 2022 HOST BY IAP NOIDA BRANCH, UTTAR PRADESH

The most awaited and first physical conference post third wave of pandemic took place at India Expo Mart, Greater Noida between 19th to 23rd March 2022. The Conference was organised by Academy of Pediatrics (AOP) Noida, under the aegis of Indian Academy of Pediatrics (IAP).

The scientific program of PEDICON 2022 was driven by its theme – Genes to Teens: Mission & Dreams. There were several panel discussions of interest during the conference. The academic lectures and panel discussions covered a variety of subjects. Other than the numerous thought-provoking academic sessions, there were several lively Chai pe Charcha sessions, which discussed burning issues related to children’s education and innovations in paediatrics practice.

There were plenty of opportunities to meet and greet each other, be it the Presidential Dinner, Welcome Dinner or Gala Dinner. Besides the grand musical nights, there were many entertaining activities for social cause, like on the 19th and 20th March there was good participation at the NPPL Cricket matches followed by Cyclothon on the 21st, Run for PEDICON on 22nd March and Yoga on the 23rd March.

Some photographs from the pedicon are as follows:

DRUG FORMULARY

The IAP Drug Formulary (IAP DF), first published in 2004-2005, has completed 14 yrs of service to the pediatric specialists in our country and abroad, being the only exclusively pediatric formulary in the world, other than the British National Formulary for Children (BNFc). The Web Updates are a quarterly exercise where new drugs, changes in use of drugs and new recommendations for drug therapy of pediatric illnesses are updated. The textbook, the online version, the IAP Drug Formulary mob app and the Pocket Dose Book, make the IAP DF a wholesome product.

IAP PED CARD:

Central IAP have been able to provide a single point access to all IAP portals through the revamped IAP website and the introduction of the PEDCARD. Self updation of member data and profile is an important feature in the new web site. The PEDCARD mobile app once installed on home screen can take to any IAP site or activity with a single click . Apart from this, the Pedcard will be offering loyalty services on purchase of academic subscriptions like Uptodate/ Clinical Key/ books from Jaypee Brothers and products of many hospitality and retailer industries in the near future.

In the month of December, the following conferences have been successfully organised i.e. RESPICON 2022 at Chennai, PEDICRITICON 2022 at Bhubaneswar, HARYANA PEDICON at Karnal and GUJPEDICON 2022 at Ahmedabad.

Year 2022 was a year of many achievements for IAP. All the programs are inspiring to members for taking up more activities under IAP banner.

I would like to thank all my Office Bearers and Executive Board Members of 2022 as well as each and every one of my member friends for the support, guidance and most important constructive criticism extended to the IAP Secretariat. I am sure that with the continued proactive involvement of my colleagues across all the branches of the country, the IAP activities are soon to have maximum visibility in every look and corner of the country.

Team 2022 under the vibrant dynamic President Dr Upendra S Kinjawadekar is sure to take IAP to greater heights and ensure presence in all branches across the country.

I would like to sincerely thank the Central IAP office for the constant support extended to all Office Bearers and congratulate them for the sincere efforts from their end in keeping the CIAP flat high.

Dr Vineet K Saxena

Hon. Secretary General IAP

2022 & 2023

Message from Honorary Treasurer, Dr. Samir Hasan Dalwai

My Dear Fellow IAPians,

Wishing you all a very happy and prosperous 2023!

I hope you and your family are healthy and doing well.

It gives me immense pleasure to present before you the audited accounts for the year ended 31st March 2022. The budget for the year 1st April 2023 to 31st March 2024 will also be projected in the upcoming AGM at Gandhinagar.

I am thankful to President 2022, Dr Remesh Kumar R, Past President 2021, Dr Piyush Gupta and President Elect 2022, Dr Upendra Kinjawadekar for their guidance and support in managing finances across various Presidential Action Plans and other activities of IAP. I am also thankful to Honorary Secretary General, Dr Vineet Saxena, Joint Secretary (Admin), Dr Purna Kurkure and the Honorable Members of the IAP Finance Committee for their continued support and guidance to me, during the whole year, with regards to all the administrative responsibilities as National Treasurer. We, at CIAP, worked as a TEAM to achieve the goals in keeping with the Government Policies and Programs in the field of Pediatrics and child health.

From the very inception, we at IAP have believed that IAP is an integral part of the social system catering to human and societal needs and aspirations. The painful period of COVID-19 pandemic brought out IAP's spirit of societal service like never before. Every IAPian worked with a sense of national duty during this period – this was most satisfying. With unstinting support from all of you, we were able to quickly adapt and repurpose our processes, our policies, our roles and responsibilities with a single motive – to support children. Academic excellence was at an all time high, thanks to the innovative dIAP which leveraged our presence across the country on a self-developed technology platform.

IAP has maintained its leadership position among various pediatric organisations across the world for nearly five decades now. It is IAP's ability to innovate, to build in unparalleled flexibility, to transform itself from time to time and the great conviction in every IAPian which has helped the Academy to stay at the top of the whole world. IAP has always believed in doing well by doing good. It is our firm belief that the long term success of Academy depends upon giving back to the society it operates in and ensuring its operations are sustainable. During the Financial Year 2022, IAP continued with its various CHARIOT Activities. It reached new heights, when thanks to the yeoman efforts of Dr Remesh, Dr Saxena and Dr Alok Bhandari and the support of the Office Bearers and Executive Board 2022, essential medicines were flown to Sri Lanka to help children in the midst of an unprecedented crisis.

It also brings me immense sense of pride and respect as a fellow IAP member, that our Academy would be hosting the Biennial Congress of the International Pediatric Association (IPA) in 2023 at Gandhinagar, Gujarat along with the annual PEDICON. I look forward to joining all of you in attending various plenary and other sessions which will boost our knowledge, help us interact with international partners and share our views on various fronts of Pediatric Healthcare.

As we aim to expand our activities nationally, financial functions are playing an increasingly important role in the reduction and avoidance of financial risks and achievement of effective corporate governance which will enhance the remarkable brand value of IAP. I would like to state that IAP maintains a valuable relationship and trust with all its stakeholders by ensuring a transparent and robust Financial Reporting System. In a world full of volatility, uncertainty, complexity and ambiguity, these achievements are indeed commendable and I thank all the office bearers and executive board members, present and past. For taking IAP to a high stature, nationally and internationally.

I wish to express my sincere thanks and gratitude to the Central IAP Office Staff, especially Mr. Cyprian D'souza. I look forward to their unstinted support & congenial working environment at CIAP office in the coming year.

Thank you with warm regards,

Yours in Academy Service,

Dr Samir H Dalwai,

Treasurer, CIAP 2021 & 2022

Agenda Item No. 2 - Business arising out of the minutes.

NIL

Agenda Item No. 3 - Consideration and adoption of Annual Report of the Society.

The Hon. Secretary General, Dr Vineet K Saxena informed the members that the hard copies of the Annual Report 2021 of the Society are circulated amongst the members for ready reference. The soft copy of the report was circulated amongst all the members by mass mail earlier on 24th December 2021.

The same was accepted unanimously.

Agenda Item No. 4 - Consideration and adoption of the audited Statement of Accounts for the year ended 31st March 2021 and the Budget for the year 2022-2023.

The Hon. Treasurer, Dr. Samir Hasan Dalwai presented the audited Statement of Accounts for the year ended 31st March 2021

The Members discussed on the following points in the meeting:

Interest rate:

One member suggested that we consider the interest rate while investing the money in the bank. Also, the investment should be a long-term investment.

We should invest in the Nationalized Bank only as it offers more security of the deposits than the private banks. Also, we should have an Investment Committee, which provides us with the best option for investing the money to get better interest rates and benefits.

Dr. Chetan B Shah briefed about the above matter. He said that we are always following the rules laid by Charity Commission. Therefore, we have invested the money only in the bank, approved by the Charity Commission.

Election Expenses:

A query was raised regarding the reduced expenses of Elections.

Dr Bakul Jayant Parekh explained the scenario of negotiations done in the year 2020 with the E-voting vendor. He said that while discussing with the vendor we came to know that the quotation we received is double the valid amount. After due deliberations and arguments, the vendor agreed to reduce the amount and accordingly vendor issued a credit note.

Publication Expenses:

A query was raised regarding the expenses of publications increased in the year 2020-21. Dr Samir Dalwai gave the details of the expenses as follows:

In the year 2020-21, we have printed Academy Today (IAP Bulletin) and posted to all the IAP members and 500 copies of annual reports for distribution during the AGM held during CIAP Pedicon 2021.

About Indian Pediatrics the details of Indian Pediatrics as follows:

Journal/ Publication	2020-2021	2019-2020
Indian Pediatrics - Delhi	74,37,945/-	51,25,960/-
IJPP - Chennai	2,77,507/-	4,30,449/-

Interest income reduced:

Dr. Samir Dalwai explained that interest amount (Saving) is reduced because of lower bank balance, whereas interest on Fixed Deposit is increased by Rs 2 lakhs of CIAP as compared to previous year.

Further he proposed the adoption of the Audited Statement of Account. The same was adopted by the members, proposed by Dr Narendra Nanivadekar and seconded by Dr Alok Gupta.

Budget for the year 2022-2023.

Dr Samir Dalwai presented the proposed budget for the year 2022-2023.

The following points related to estimated budget for the year 2022-23 discussed in the meeting:

Expenses on Charitable Activities:

One of the members raised the point that we have spent very less amount on charitable activities as compared to the income.

We should increase the charitable activities of the academy in the cause of child welfare.

Dr. Bakul Parekh suggested to take professional advice in this matter and then act accordingly. Treasurer Dr. Samir Dalwai informed the house that this point has been well taken.

Further, Treasurer Dr. Samir Dalwai requested approval of the Estimated Budget for the year 2022 -23. The House agreed and approved the estimated budget.

Proposed By: Dr Pramod Kulkarni Seconded By: Dr Anil Deshpande

Agenda Item No. 5 - Appointment of Auditors and fixing their remuneration for 2022-23

HSG. Dr Vineet K Saxena Informed to the house that since last... Years we are giving remuneration of Rs 100000/- to M/s. B. K. Patwardhan & Co. He proposed to raised the remuneration for the year 2022– 2023.

The members authorized continuation of M/s. B. K. Patwardhan & Co. as the statutory auditors of IAP for the year 2022-23 and the remuneration of Statutory Auditor is Rs 1,20,000/- for year 2022 - 2023.

Proposed By: Dr Ajay Kumar Gupta

Seconded By: Dr Ramakant D Patil

Agenda Item No. 6 - Appointment of Honorary Legal Advisor for 2022-23.

The office bearers were authorized to appoint legal advisor on case-to-case basis. Office Bearers may appoint different legal advisor as per the matter of the case. Fees of the legal advisor will be paid on case-to-case basis.

Agenda Item No. 7 - Consideration of matters related to IAP Election for 2023.

Agenda Item No. 10 - Any other business of which 30 days' notice has been given to the Secretary General inwriting.

Dr. Vineet K Saxena informed all the members about the e-mail received from Dr. Rohit Agarwal regarding the Constitutional Reforms Committee.

There was a prolonged discussion in the meeting on this e-mail. In this discussion, Dr. Rohit Agarwal said that the report should have been submitted in GBM and raised questions about the utility of another committee for the same cause. Dr Alok Bhandari said that the report of the committee need not be tabled in the GBM. Dr AS Vasudev and few other members also gave their views on the matter. Dr Remesh Kumar said that the constitutional reforms can only be taken up after thorough discussions and findings of previous committee will be taken into consideration by the new committee. Dr Piyush Gupta said that the report submitted by the previous committee was after the stipulated time and was not signed by all the members of the committee.

After a discussion and deliberation on this issue, HSG Dr. Vineet K Saxena and President Dr. Ramesh Kumar informed the house that the draft of IAP constitution prepared by the previous committee with great effort would be submitted to the freshly appointed committee for their consideration.

Agenda Item No. 11 - Any other business with the permission of the chair. Lobbying and negotiation for posts should be discouraged:

Dr Asha Benakappa raised the matter related to CIAP elections said that in elcetion now we saw a lot of

lobbying and negotiation for posts, this should be discouraged. She appealed that Election commissioners should be from a different state. i.e. if a candidate is contesting from Karnataka, the election commissioners should not be from Karnataka.

President replied that Election commissioners are decided very early and they initiate the election process and we can't deny any person for candidature.

Family Benefit Scheme:

Dr. Ajoy Kumar has raised the matter related to Family Benefit Scheme in he informed the house that IAP members are not aware of it & unlike IAP president, FBS President can continue as a chairperson or again contest for the same.

This issue should be rectified as FBS is a body of IAP and all beneficiaries of FBS are IAP members, so it's the duty of the academy to look and scrutinized the financial status of FBS from time to time.

President Dr. Remesh Kumar R informed the house that this matter has already been discussed in the IAP Executive Board meeting at length and Executive Board is going to address the FBS-related matter and appoint Finance Vigilance officer for IAP Family Benefit Scheme in the next Executive Board meeting.

INDIAN ACADEMY OF PEDIATRICS - CONSOLIDATED**SIGNIFICANT ACCOUNTING POLICIES & NOTES ON ACCOUNTS**

The Significant Accounting Policies followed by the trust are as stated below:

A) General

The Financial Statements have been prepared on the historical cost convention. These statements have been prepared in accordance with the generally accepted accounting principles and the applicable mandatory accounting standards. The preparation required adoption of estimates and assumptions that can affect the reported amounts of revenue and expenditure and the assets and liabilities as well as the disclosure of contingent liabilities. Differences between the actual results and estimates are recognised in the year in which they become known or materialises.

B) Fixed Assets

The Fixed Assets are stated at their original cost of acquisition including taxes, duties, freight and other incidental expenses relating to the acquisition and installation of the concerned assets.

C) Depreciation

Depreciation is charged on fixed assets under Written down Value Method.

D) Revenue Recognition

Income from Other activities, interest on securities, advertisement, royalty and other incomes are recognised on accrual basis.

E) Employee Benefits

Contribution to Public Provident fund is charged to Income and Expenditure Account.

F) Provisions, Contingent Asset and Contingent Liability

A provision is recognised when the trust has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. A Contingent Asset is neither recognised nor disclosed in the financial statements.

INDIAN ACADEMY OF PEDIATRICS

The Indian Academy of Pediatrics was formed by amalgamation of the Association of the Pediatricians of India and the Indian Pediatric Society at its joint conference held in 1963 at Hyderabad. It has now grown over the years to more than 40600 members, 31 State Branches, 347 Regional / District / City Branches, 22 pediatric subspecialty chapters, 8 Interest Groups and 1 Cell.

MISSION STATEMENT

The Indian Academy of Pediatrics dedicates its efforts and resources to the improvement of the health and well being of all children and strives for achievement of optimum growth, development and health in the physical, emotional, mental, social and spiritual realms of all children irrespective of diversities of their backgrounds. The Academy shall fulfill the mission through the following activities.

PROFESSIONAL EDUCATION & IMPROVEMENT

Provide and promote ethical professional standards, education and training for improvement of knowledge, attitude and skills of members in pediatrics in its widest sense.

SUPPORT FOR PEDIATRICIANS

Remain the spoke medium of appropriate training of medical and related supportive professionals involved in childcare, thus make pediatricians the best-equipped professionals for care of children.

MEMBERSHIP SERVICE

Provide services, benefits and recognition to assist and support the members for meeting the needs and challenges inherent in pursuing our missions.

EDUCATION OF PARENTS AND THE PUBLIC

Facilitate education of parents, the public and policy makers on their role in the promotion of health and well being of children at home, in school and in other situations.

CONSULTANCY

Provide expertise and scientific inputs to individuals, organizations, institutions and government and its agencies in the areas of child health, by playing a proactive role in Consultative Committees / Task Forces / Boards constituted by the Government and/or its agencies in matters related to child health.
