Welcome to this edition of Academy Today. We had a wonderful hybrid conference at Mumbai and the theme of this conference “Nurturing care- for Early Childhood Development” will be our flagship program in 2021. I remind you, as I said in my Presidential speech “the paradigm shift should be from cure to prevention. Instead of being there after the act, we should aim to be community leaders, anticipating these problems, and spearheading mass programs aimed at prevention, through awareness and policy making. We pediatricians must take a leaf out of our soldiers’ playbook. A soldier remains active whether it’s peacetime or wartime. In the latter, he fights and in the former, he builds - bunkers, barracks, deterrent capabilities, reconnaissance data- so that the enemy thinks twice about starting the war. Our mentality, with respect to the welfare of our children, should

be the same. Our fight must not be limited to actual disease but prolonging and building on good health as well. For that, doctor visits for presuming healthy children (well child visits) must increase. Pediatrician-parent interactions must go beyond illness and immunization. Well child visit concept needs to be adapted and utilized for talking to parents about the junk food, screen time, sleeping hygiene, toys and plays, peer interaction, safety, security, abuse and much more.”

Lancet in 2017 reported that at least 45% children under five years of age in low- and middle-income countries do not reach their optimal developmental potential. For India it translates into more than 50 million children every year. Most important reason is ignorance of the parents to the components of ‘Nurturing Care’, especially during the first 1000 days of life i.e. from conception to 2 years, the period most crucial for neuronal connections to proliferate, activate, and mature. Any intervention during childhood extending up to 3 years of age is likely to have far reaching consequences. However, before parents, we, the community of pediatricians need to understand the concept of **Early Childhood Development** and factors that protect the developing brain. We need to realize the importance of not only good health and good nutrition but equally important are the issues related to safety and security of the child, responsive parenting, and learning opportunities in the formative years of life. Only when we understand their importance, we can inculcate the concept of **Nurturing Care** in parents. In the coming years, we aim to train more than 8000 pediatricians across the length and breadth of the country in spearheading the movement with a budgetary allocation of more than 4 crores. The Academy is thankful to WHO and UNICEF for co-partnership in this project and for financial aid from other donors to execute this noble cause. Looking forward to its execution and implementation. Requesting support of all members for taking this on a mission mode.

### **Piyush Gupta**

National President 2021

(excerpted from Presidential Address at Mumbai Pedicon 5<sup>th</sup> Feb 2021)

From Your President Elect

Dear Academician Friends,

Heartfelt greetings from your President 2022 !!

Hope the new year is keeping you all healthy and fine despite the jitteriness perpetuated by the pandemic. My best wishes for a cheerful professional and family time for all my dear friends in our IAP family.

It's quite heartening to see the academy year blooming in full swing. With the academic stalwart Dr Piyush Gupta and ever vibrant Dr Basavaraja at the helm, lot many novel activities has ben initiated for the fraternity members as well as for the parents and the public. Sure this is bound to give our Academy much more visibility and respectability in the community.

My congratulations again to all my fellow member friends for taking up the Academy objectives in an earnest manner and enjoying academics with camaraderie in this awesome family.

With affectionate regards,

Jai IAP, Jai Hind

**Remesh Kumar R**

President Elect 2021

## WHAT AN YEAR 2020 !!!

My Dear IAP Members,

Greetings from the office of IAP President 2020 !!

Finishing my tenure I have mixed emotions. A strong sense of contentment, fulfilment and at the same time excitement for the future of IAP as I see it.

Since this is my last communication to you all from the highest platform of our organization, firstly I thank the almighty, my parents and my seniors with whose blessings I got this post & opportunity to serve our organization as president for the year 2020

The year began with a bang with an amazing PEDICON conference organized at Indore. It was amongst the grandest events in recent times. A true and heartfelt thanks to all the organizers with special thanks to Dr V P Goswami the Organising Secretary, who went out of the way to conduct such a memorable conference. I was truly humbled by the warm reception given to me by my fellow members. It truly felt like one huge family.

I had decided the theme for this year as 'V'e – Reaching the Unreached.' It was in this conference that I shared my Action Plan and vision with you all. I also agreed with some who called me a little too overambitious at that time. But then, I believe that one should dream more and aim high to achieve more. We can only advance if we setup incredible goals for ourselves, without which we tend to stagnate and remain in our comfort zone.

In accordance with the Action Plan, I immediately called for my extremely supportive office bearers under the able and highly deserving HSG – Dr. G. V. Basavaraja– and began with a planned approach. Keeping the pandemic situation in mind, under the able guidance of Dr. Piyush Gupta, we decided to try and best utilize every member's strengths to ensure that we can get maximum outreach during this year. We looped in all the office bearers and executive board members and chalked out our plans (virtually, for the first time). I must say that while we initially faced issues and coordination problems, they were soon left in the dust.

Let us now have a glimpse of the accomplishments of Team 2020 in the pandemic year.

1. IAP NTEP (National Tuberculosis Elimination Program) was rolled out in coordination with MoH&FW and it was started in a manner which ensured that we never needed to look back. The last mile was in the vicinity as well. By means of structured planning and enthusiastic execution, we completed a number of the pre-requisite workshops within the first quarter itself.
2. IAP West Bengal spearheaded the CHARIOT program and went about executing it with much enthusiasm, and then many more branches joined the efforts.
3. We conducted a VacciCon at Kolkata and discussed the ACVIP guidelines in depth in the month of March . This was the first time that we had asked experts from various industries to give us their insight by sharing their reports and research with us, so that we make more informed decisions and the guidelines to suite the diverse population of our mother nation. I was happy to know that the wheels of my vision had started rolling quickly.
4. It was then that we were thrown over the cliff, – and COVID19 struck! There was news of the virus spreading all across the world in mere few days. Less than a 100 days into the year 2020 and the whole world was brought to its knees. Lockdowns were initiated, gatherings were prohibited, meetings were cancelled, jobs were lost, industries suffered, economies collapsed, and death had reared its ugly head simultaneously all across the world. Nothing compared to it in living memory (assuming not many of us witnessed Spanish Flu pandemic in 1918-20). Everyone was scared and no one knew what to do. It seemed that my vision – which had a flying start – had started to crumble in front of my eyes and I was feeling rather helpless in front of this invisible threat looming over our heads. It was truly a year of firsts for IAP.

It was during this time that I talked with my co-office bearers and IAP's dIAP team. We decided to use this time to fast track the dIAP project. With limited funding, but a guiding vision and dedicated scientific and technical team, we ploughed through these rough times and within a few weeks adapted the dIAP project for conducting live events from IAP office and medical colleges to working with the experts remotely. The fruits of labour were evident soon with PG Teachings by Dr Amdekar sir coming back online quickly within March itself. These were relayed to all IAP members, students of pediatrics and to the world. We saw phenomenal

viewership and acceptance. The same model was expanded to provide lectures and courses in a digital manner to reach the unreached all across the country in every nook and corner to our members and everyone involved in the treatment of children. All these required massive coordination, planning and funding – the last of which suffered due to extended lockdown periods across the country. Without wasting time and resources, we made this platform available for all the members within few weeks into lockdown itself. Each and every person in CIAP office, dIAP academic and technical teams worked seamlessly to deliver my dream. While other organizations were struggling on the way to get the action plans initiated, we had started executing our action plan quite efficiently within few weeks.

From doing 1-2 events per week in pre pandemic phase (Feb – mid March), we scaled up to 15-18 live interactive events per day by August. Phenomenal by any standards!!!

On hearing these numbers, a couple of our colleagues exclaimed to me about fatigue and over doing the academics. But I saw a big change in the way education was being delivered. While it 15-18 events a day seem like a lot of activity, when I dug deeper I realised that dIAP had permeated deep into our structure and a lot of these programs were driven directly by our local/ regional/state branches. If I do simple math, in August-September we were doing only 1-2 programs per branch per month and that's not much at all. This is how I feel the education will continue forward.

5. IAP has worked very hard with other member associations like FOGSI, GAPIO, IPA, SAPA, APPA, etc and developed strong inter-association relations
6. IAP also joined hands with a number of NGOs like WHO, UNICEF, GoI, MoHFW, etc thus strengthening the ties between organizations.
7. Social activities like CHARIOT continued throughout the year while addressing to COVID situations as well. CIAP also helped the various branches by supplying the necessary funds wherever appropriate. Other social activities like Kangaroo mother care, ALS-BLS Mass Awareness Programs, School health programs and AWESOME AYA (Adolescents and Young Adults) were also well received by one and all.
8. Community activities like parental webinar also were initiated and was spearheaded by our dynamic duo of Office Bearers – Dr. Chandrashekhar Dabhadkar and Dr. Samir Dalwai – which was soon joined by Dr. Upendra Kinjawadekar for sometime and later Dr. Swati Ghate till now.
9. Members were never neglected and were always on the mind for getting a teleconsultation solution using existing technologies and were provided free of charge to all the members. We also initiated a life insurance scheme for all our members at a fraction of the actual cost. I am glad to share that more than 1000 members subscribed and benefitted from insurance.
10. A couple of members were attacked in the media as well as otherwise and IAP took a strong stand against such wrongdoings.
11. Post Graduates are the future of IAP and we must always take care of our future. For doing so, dIAP provided a common platform wherein students as well as teachers from different parts of the country could connect and deliberate with each other. A special heartfelt thanks goes to Dr. Y. K. Amdekar sir et al., Dr. Baldev Prajapati and Dr. S. Balasubramaniam.
12. P2P webinars and febinars for postgraduates and fellows in intensive care were also held and appreciated. A huge thanks to Dr. G. V. Basavaraja, Dr. Arun Bansal and Dr. Dhiren Gupta et al
13. Many of the branches – district as well as state – and sub-specialty chapters were given the dIAP platform free of charge to conduct their activities like CMEs, conferences , etc and were kept active and alive even during the COVID19 pandemic – which managed to shut down many businesses as well. dIAP also provided websites to all the branches along with chapters like AHA completely free of cost.
14. A number of teaching modules – which were a part of the IAP's Action Plan – were also spread to every branch – irrespective of size and location – of the country and was very well appreciated throughout the country due to the digital nature of dissemination. This would not have been possible in the previous physical model due to logistical difficulties involved.
15. The dIAP website was overhauled and given a new avatar with lots more functionalities added. We also created an application on the android platform for this purpose and it has already seen more than 1000 downloads.

16. The presidential candidates were also provided a platform, courtesy dIAP, to announce their candidature – a first time ever digital participation in the history of IAP.
17. I would also like to congratulate each and every one of you on being a part of the largest pediatric academy and leading platform for academics on the pediatric front with over 1700 lectures in pediatrics across various topics and over 2 million views in totality since the lockdown initiation. This shows our adaptability, strength in numbers and hunger for quality knowledge!
18. While many organizations shied away from elections during this pandemic time, IAP remained active and ensured that the highest number of voters voted this year in the history of IAP, thus following the constitution faithfully. This was possible only under the able leadership and guidance of Dr. Gnanamurthy et al. For the first time in the history of IAP, the result of the election was displayed for all to see on the dIAP platform.
19. A book titled IAP's handbook on vaccines – your questions, IAP answers is being published. We also updated the ACVIP guidelines with a committee led by Dr. S. G. Kasi et al.
20. SOP committee, under the able leadership of Dr. Jagdish Chinnappa and others, is working on a couple of guidelines which will benefit IAP and its members and is expected to come out with guidelines in the near future
21. You must have already seen the new and revised website of IAP which looks very elegant and appealing. I would like to thank Dr. Sameer Shah et al for all their hard work and efforts
22. Guidelines for immunization during COVID19, physical distancing and schools reopening and bulletins on COVID19 were also released. Numerous other guidelines were also published this year.
23. The presidential page this year addressed to various important issues like Quality Improvement, Research, Nutrition, Catch Pediatric Cancer, Mental Health, and so on. I am certain that this will be an interesting read and research material
24. Come August, and we were still dealing with the effects of this deadly virus. With no vaccine in sight, we continued our digital platform with as much enthusiasm as we did on day one. However the need for physical meetings was being felt more and many of us were missing the physical conferences. We thought of having virtual conferences in a 3D avatar – something that was never before seen in IAP! CIAP team coined the idea of doing weeklong academic Zonal conferences wherein the Vice-presidents of the respective zone were in charge along with the EB members from the Zone. Each zone decided to have these pedi-weeks on the 3D digital platform with the best speakers from their zone followed by some cultural activities. I must say that the planning was highly meticulous and appreciated by one and all. It was a refreshing change from the plethora of academics that was being shared everywhere across the world. A couple of zones had also started the day with some exercise/yoga activities! Seeing the venue come alive in a 3D platform gave a new meaning to the virtual world. This was especially appreciated by the doctors who were living in remote places across the country!
25. dIAP team also worked very hard to ensure that credit points could be awarded on the dIAP platform – thus fulfilling a statutory need for our members
26. We ended the year with Protocon wherein we addressed various consensus guidelines on different subspecialty topics across pediatrics
27. We also conducted a national pediweek – Sunday to Sunday, pediatrics ke funde.. – which addressed the latest practice management issues faced by our members
28. I am very glad to say that our President Elect Dr. Piyush Gupta, is using our proven digital education capabilities to accelerate his dream of making IAP's Indian College of Pediatrics (ICP) a reality in 2021. I am confident that under his leadership, IAP-ICP shall become the most comprehensive and effective resource for Pediatrics learning, for practicing pediatricians, other HCPs and students of Pediatrics. With online, offline and hybrid lectures, certificate courses, workshops and more , all across the country, conducted by all our subspecialty chapters and all our regional, state and local chapters.
29. This was a year where physical meetings were not allowed, we had more than 5 virtual EB meetings and several committee meetings! And one physical one as well in Goa. This shows everyone's commitment, fighting spirit and I salute the same !

30. With support from our National President 2021 Dr. Piyush Gupta, we have also initiated a pilot program to empower all our pediatricians with digital clinics and new service capabilities to create national solutions to some problems that have remained unsolved for decades. We are calling this bundle of services as Smart Clinic 2.0. This includes IPAN - an initiative that was started by our past president, Dr. Anupam Sachdeva and services that will enable our pediatricians to deliver nutritional assessments and advice; deliver behavioural and neuro development assessments and programs; detect cancer early; and help early detection of primary immunodeficiency. We are conducting this pilot program in Thane District in partnership with NSDL eGovernance Limited and the National Cancer Tissue BioBank, IIT Madras. A successful pilot program will enable us to expand it nationally and create a large scale solution covering for the 100 million children treated by IAP members. This creates a template to be adopted by the Public Sector for all Indian Children and also for other developing countries. ,

All of the above were done on the dIAP platform at a very nominal to no cost. Over and above this, dIAP became a revenue generating model for IAP instead of spending one. Also, achieving so many things within such a short time would not have been possible without the continued efforts put in by the entire team 2020. I am truly blessed to have had an opportunity to work with such a dream team. – a team which did not even need a physical meeting to understand their responsibilities, a team which poured their heart and soul for the academy, a team which showed us all that nothing is difficult if we are together!

dIAP has not only provided us with a plethora of academics which is also indexed and available for any member to refer to in the future but also helped us identify many young and dynamic faculties which were unknown – in a way we can say that dIAP provided a platform for many gems of IAP to be discovered.

By doing so, we have ensured that all the mission statements of IAP were addressed properly. Also, while many of you must have felt that this was a zero year, I feel that it was more than a 100% year!!

I would like to thank each and everyone of you who has given us constructive ideas and have guided us on what you would like to see on the platform. It is nothing but your love and support which has helped me in giving this much to our mother organization. This year has truly left me humbled, not just because of the pandemic, but also because of the love, togetherness, unity and selflessness shown to me by all of you. I hope this continues and I assure you all that I will continue to offer my services to the academy's cause when required and whenever asked for.

I congratulate the office bearers esp my five pillars ,the five Zonal VPs Dr Nigam Prakash Narain, Dr Shekhar Dabhadkar, Dr Anand Vasudev, Dr Anand Keshvan, and Dr G Sudhakar and the members of the Executive Board for conducting academic activities successfully and their valuable contribution for the cause of IAP and children in particular. I wish to place on record my heartfelt thanks to Dr. G. V. Basavaraja – our dynamic,HSG IAP 2020-21 – who is a strong supporter and without whom all this work would have remained a dream. Dr. Samir Dalwai , Dr Harish Pemde and Dr. Purna Kurkure were amazing and were great help by giving valuable inputs. A special thanks also for the academic leadership and project leadership work by Dr Mahesh Mohite, Dr Dheeraj Shah, Dr. Vinod Ratagiri and Dr. Gaurav Kharya.

I would also like to take this opportunity to welcome National president 2021 Dr Piyush Gupta and declare my full unconditional support in his plans and endeavours for our mother organisation IAP.. I must remind you all that it was during his tenure that Indian pediatrics soared in popularity. This gives me even more hope for our mother organization and I'm sure that IAP will also reach new highs during his tenure. He has charted an impressive IAP Action Plan for 2021 which I am certain will benefit all of us and the children of our country.

I also would like to welcome the newly elected Executive Board Members 2021, especially my dear friend and first national HSG of our organization – Dr. Remesh Kumar R. who has been recently elected as the President 2022. I look forward to their continuous contribution and support for the IAP Action Plan 2020-21.

I would like to make a special mention about our IAP office staff as well as the dIAP team and my personal assistant Mr Gulshan for their unflinching support and contribution without which accomplishing any of this would not have been possible.

So let us welcome the new year with much anticipation and rejuvenated spirit! Happy new year to all!

Jai Hind! Jai IAP!

**Dr. Bakul Jayant Parekh**

National President 2020

Dear Esteemed Members of IAP,

Despite COVID-19 Pandemic looming large over us, we have faced this situation with fortitude and hope. You will find below the brighter side of the IAP in the academic field and how we excelled in our efforts to overcome the short comings presented by COVID-19.

**MEMBERSHIP**

Membership Strength as of 10<sup>th</sup> December 2020

<b>Membership Category</b>	<b>Number of Members</b>
Fellows	474
Hon. Fellows	35
Life Members	27380
Associate Life Members	4088
Student Members	320
Total	32297

**IAP BRANCHES**

The IAP has 30 State Branches, 337 Regional / City / District / UTI / Foreign Branches for furtherance of Aims & Objects of the IAP.

**IAP SUB-SPECIALTY CHAPTERS / GROUPS**

There are 20 Sub-specialty Chapters & 10 interest groups for promotion of Sub-specialties in Pediatrics.

**AFFILIATIONS / COLLABORATION**

- International Pediatric Association (IPA)
- International Society of Tropical Pediatrics (ISTP)
- American Academy of Pediatrics (AAP)
- Asia Pacific Pediatric Association (APPA)
- Asian Society for Pediatric Infectious Disease (ASPID)
- South Asia Pediatric Association (SAPA)
- Royal College of Pediatrics and Child Health (RCPCH)

**IAP SUB-COMMITTEES in the year 2020**

- a) IAP Website Committee
- b) IAP Finance Committee
- c) IAP Election Committee
- d) Election Grievance Redressal Cell
- e) Election Tribunal
- f) IAP Advisory Committee on Vaccines & Immunization Practices
- g) IAP ALS Courses
- h) IAP Mission Uday
- i) IAP Mission Kishore Uday
- j) IAP Basic Life Support Course
- k) IAP Touch Workshop
- l) IAP Committee for suggesting Research Topics based on our needs and resources
- m) IAP National Task Force on Prevention of NCD

## **STATUTORY & ADMINISTRATIVE MEETINGS**

### **AGM**

- Annual General Body Meeting was held on 10<sup>th</sup> January 2020 at Indore. (Physical)

### **Office Bearers Meetings / Other Meetings**

- Office Bearers Meetings held on 7<sup>th</sup> January 2020 at Indore (Physical)
- Office Bearers Meetings held on 12<sup>th</sup> April 2020 (Virtual)
- Meeting of the Treasurer held on 1<sup>st</sup> May 2020
- Office Bearers Meetings held on 12<sup>th</sup> May 2020 (Virtual)
- Meeting of the Vice President held on 12<sup>th</sup> May 2020
- Office Bearers Meetings with Past Presidents of IAP held on 25<sup>th</sup> May 2020 (Virtual)
- Office Bearers Meetings with IAP Election Committee & the E-Voting Committee held on 5<sup>th</sup> June 2020 (Virtual)
- Office Bearers Meetings held on 26<sup>th</sup> June 2020 (Virtual)
- Office Bearers Meetings held on 21 August 2020 (Virtual)
- Office Bearers Meetings held on 30<sup>th</sup> October 2020 at Goa (Physical)
- Office Bearers Meetings held on 23<sup>rd</sup> November 2020 (Virtual)

### **Executive Board Meetings**

- Executive Board Meeting held on 7<sup>th</sup> & 8<sup>th</sup> January 2020 at Indore (Physical)
- Emergency Executive Board Meeting held on 15<sup>th</sup> May 2020 (Virtual)
- Executive Board Meeting held on 7<sup>th</sup> June 2020 (Virtual)
- Executive Board Meeting held on 28<sup>th</sup> June 2020 (Virtual)
- Executive Board Meeting held on 23<sup>rd</sup> August 2020 (Virtual)
- Executive Board Meeting held on 30<sup>th</sup>, 31<sup>st</sup> October & 1<sup>st</sup> November 2020 (Physical)
- Emergency Executive Board Meeting held on 3<sup>rd</sup> December 2020 (Virtual)

## **PEDICON 2020**

The 57<sup>th</sup> National Conference of Indian Academy of Pediatrics (PEDICON 2020) was held from January 9-12, 2020 at Brilliant Convention Centre, Indore, Madhya Pradesh, India. The theme of the conference was "Quality Child C.A.R.E.". The conference was attended by around 8000 Pediatrician from India and Abroad. The faculty comprised of distinguished and renowned speakers from India and abroad.

A large number of scientific sessions both concurrent and non-concurrent were held and the sessions were divided into 24 Symposia, 132 Guest Lectures, 19 PG CME Lectures, 38 Panel Discussion, 9 Quizzes, 12 Case Based Discussion, Free Paper Presentations, Award Papers, 8 Diagnostic Dilemmas, 8 Therapeutic Dilemmas, 8 Pot Pourri, Plenary Session-I on "Quality Child Care – Vision Statement" and Plenary Session-II on "Containment of Antimicrobial Resistance – A Burning Issue". The topic of the non-concurrent oration – Late Dr. Shantilal C. Sheth oration was "Adolescent Pediatrics – Ever Expanding".

## **NATIONAL TUBERCULOSIS ELIMINATION PROGRAM (NTEP)**

IAP has signed a Memorandum of Understanding (MoU) with the Government of India for conducting (a) National Level Consultation meet (b) Five Regional Training of Trainers Workshops and (c) 300 City / District level workshops to train 18000 Pediatricians + 2000 Medical Officers under "National Tuberculosis Elimination Program" (NTEP).

### **Following NTEP ToTs & District Level workshops were conducted during January – February 2020**

- Five Zonal ToTs were organised at Mumbai, Hyderabad, Delhi, Chennai & Kolkata
- 12 District level workshops were organised at Hingoli, Amravati, Sangli, Akola, Satara, Karad, Parbhani, Kolhapur, Dhule, Valsad, Anand and Visakhapatnam

- 12 Training of Trainers Workshops were conducted on 7th January 2020 as a pre-conference activities, on the following topics:
  - ✓ Smart Clinic 2.0
  - ✓ NEP-U (Nutrition)
  - ✓ Under 5 Wheeze
  - ✓ 98.7 FM (Fever Management)
  - ✓ All About Autism with PSPP
  - ✓ RTI GEM 2.0 (Respiratory Tract Infection)
  - ✓ AWESOME AYA (Adolescents)
  - ✓ Clinical Clues
  - ✓ WAR (Write Antibiotics Responsibly)
  - ✓ M.Tb (Tuberculosis)
  - ✓ GEM (Golden Hour Emergency Medicine)
  - ✓ 24x7 for 20 Problems in 2020
- Two Live Webcast of Post Graduate Clinic was held on 30th January 2020 and 20th February from LTMMC, Mumbai under IAP Action Plan 2020 – dIAP.

#### **ACADEMIC EVENTS ORGANISED (PHYSICAL MEETS)**

- VACCICON 2020 was organized on 7th & 8th March 2020 at Kolkata by IAP Coalfield Branch under IAP Action Plan 2020
- 10 Workshops on AWESOME AYA were allotted to IAP Branches at East Zone: Gauhati, Patna / West Zone: Nagpur, Surat / North Zone: Shimla, Bikaner / South Zone: Vellore, Bijapur / Central Zone: Jabalpur, Agra
- New Courses on Vitamin D Deficiency in India, Human Influenza Virus Infection, and Typhoid and Paratyphoid Fever are now available on the IAP Courses platform ([www.iapcourses.org](http://www.iapcourses.org))

#### **WEBINAR ORGANISED / IN PIPELINE**

- Around 500 Webinars were held and 125 are in pipeline on different Pediatrics Topics.

#### **VIRTUAL MEETS (WORKSHOPS)**

- Around 15 virtual meets (workshops) were organised in different cities on topic "24x7 for 20 Problems in 2020"
- Around 130 virtual meets (workshops) were organised in different cities on topic "Management of Fever 98.7 FM"
- Around 20 virtual meets (workshops) were organised in different cities on topic "Under 5 Wheezer"
- Around 25 virtual meets (workshops) were organised in different cities on topic "Clinical Clues"
- Around 15 virtual meets (workshops) were organised in different cities on topic "Smart Clinic"
- Around 45 virtual meets (workshops) were organised in different cities on topic "RTI GEM"
- The IAP conducted 5 Zonal PediwEEKS. 1,25,000 delegates participated in these events.

Through webinars and virtual meets (workshops) the IAP was able to train 2 lakhs delegates in 2000 academic hours spread over from January to August 2020.

Despite COVID 19 Pandemic, the IAP was able to reach out to the members and other health care workers in each and every corner of the country. The above achievements were possible due to vibrant dIAP platform which is the digital arm of IAP and thus achieve our aim and our theme "Reaching the Unreached E-way".

#### **IAP CHARIOT (CHARITABLE / SOCIAL ACTIVITIES)**

The IAP was in forefront in helping the health care workers and the public at large affected by the COVID 19 infection. The IAP lost a few members due to COVID 19 infection. Appropriate condolence meetings were organised by the IAP and extended all possible assistance to the bereaved families.

The IAP also organised awareness meeting on Basic Life Support and Advanced Life Support and was also involved in health care of school children. The IAP was involved in doing charitable work amongst the needy people.

### **INDIAN PEDIATRICS**

Despite 50% increase in submissions, the Indian Pediatrics have been able to timely handle manuscripts and convey decisions. Despite associated lockdowns, the Editorial Office of Indian Pediatrics continued to publish the journal regularly, and disseminate the e-copy through email and the IAP website. Print issues would be mailed, once full-fledged postal services resume.

Indian Pediatrics Case Report Journal is proposed to be published from 2021. The journal is planned as a quarterly journal with e-copies to all members, and print copies to subscribers.

### **INDIAN JOURNAL OF PRACTICAL PEDIATRICS**

The Indian Journal of Practical Pediatrics is a quarterly medical journal committed to practical pediatric problems and update in management, is a subscription journal and one of the official journal of Indian Academy of Pediatrics. The Journal is now registered under Newspaper Registrar of India, New Delhi with the Reg.No.71867/99. It is indexed in Excerpta Medica dated since January 2003, CABI Publishing. The objective is to update the knowledge and skills of pediatricians and general practitioners, particularly physicians in non-teaching institutions and rural areas, on practical management aspects of the common pediatric problems.

### **ACADEMY TODAY**

The Academy Today is the in-house magazine published quarterly giving important information ongoing activities and events and has shifted totally to the digital format. Our aim is to publish every quarter.

### **FAMILY BENEFIT SOCIETY OF IAP (FBS)**

FBS is for the Members, by the Members and of the Members, a mutually beneficial, compassionate and benevolent scheme, with Hyderabad as its Headquarters. "Family Benefit Scheme" of Central Indian Academy of Pediatrics is to provide financial help to the families of the members of FBS in case of death of a member. The mission is to care and share with transparency and sincerity.

### **IAP ALS & BLS**

The ALS & BLS courses have been widely acknowledged across the country and a lot many enquiries for conducting the courses is coming up from the branches.

### **NRP FGM PROJECT**

Indian Academy of Pediatrics started a project named "Neonatal Resuscitation Program – First Golden Minute" in 2009.

The project involves the training of healthcare professionals and workers in neonatal resuscitation and essential newborn care so as to have at least one person at every delivery trained in Neonatal Resuscitation.

Courses conducted form January 2020 to December 2020 are as follows:

<b>Type of Course</b>	<b>Total Number of NRP Courses</b>	<b>Total Number of Health Care Providers Trained</b>
BNCRP Part – 1 (Basic)	40	1366*
Advance Provider Course	10	323
District ToT	03	110
Regional / National ToT	01	67
Total	54	1866

\*figure tentative

## **DRUG FORMULARY**

The IAP Drug Formulary (IAP DF), first published in 2004-2005, has completed 14 yrs of service to the pediatric specialists in our country and abroad, being the only exclusively pediatric formulary in the world, other than the British National Formulary for Children (BNFc). The Web Updates are a quarterly exercise where new drugs, changes in use of drugs and new recommendations for drug therapy of pediatric illnesses are updated. The textbook, the online version, the IAP Drug Formulary mob app and the Pocket Dose Book, make the IAP DF a wholesome product.

## **IAP QUIZ**

33rd IAP Pediatric Quiz for Undergraduates was conducted during the year 2020 final of which will be held during CIAP Pedicon 2021 on digital platform of IAP.

14th IAP Pediatric Quiz for Postgraduates was conducted during the year 2020 final of which will be held during CIAP Pedicon 2021 on digital platform of IAP.

Both quiz are supported by SUN Pharma

## **DESIGNATED IAP WEEKS & DAYS**

IAP branches celebrated IAP designated weeks & days. The themes for various activities are as follows:

- ORS Day & ORS Week theme "**ORS: The Health Drink in Diarrhoea**"
- World Breastfeeding Week theme "**Breastfeeding: Foundation of Life**"
- Antimicrobial Awareness Week theme "**Antibiotics: handle with care**"
- IAP Child & Adolescent Health Care Week theme "**Happy Teens-Healthy Teens: Promoting Stress Free Life for the Adolescents**"
- Teenage Day theme "**Happy Teens-Healthy Teens: Promoting Stress Free Life for the Adolescents**"
- Daughter's Day theme "**Protect, Empower & Educate Daughters for a Happier, Better & Safe Tomorrow**"
- IAP Healthy Lifestyle Day theme "**Say NO to JUNKS**"
- Rational Antibiotic Day theme "**Preserve Antibiotic, Reserve Antibiotic**"
- Autism Awareness Day theme "**Autism: Towards Autonomy and Self Determination**"
- World Obesity Day theme "**Eat Less & Move More**"
- IAP Charity Day theme "**Diminish your NEEDS & Share with the NEEDY**"
- World Down Syndrome Day theme "**Down Syndrome; Realize Their Potential...**"
- World Anaemia Day theme "**Eradicating Anaemia in Children- Gifting the full potential!**"
- National BLS & CPR Day on 21<sup>st</sup> July (to commemorate the birth anniversary of Late Dr. Anand K. Shandilya)

Before concluding by report, I wish to place on record my deep sense of appreciation and thanks to the Office Bearers and the members of the Executive Board for their timely help and guidance in all matters of IAP and encouraging me to carry forward the work we had envisaged in the beginning of 2020. I also thank my esteemed IAPians for their whole hearted support and co-operation in the working of the IAP.

Thank You

**Dr. G. V. Basavaraja**

Hon. Secretary General 2020-2021

Dear Academicians,

Greetings!

It gives me immense pleasure to communicate with the 30,000 members of our strong and largest body of Pediatricians.

Thank you very much for having elected me to the post of Vice President (North Zone) with your unstinted support to serve towards the Objectives of this August body.

The year 2021 started with great hopes after having survived through the Corona year 2020.

Everyone looking forward to academic and social activities and meeting once again in person.

This was made possible by our President Prof Piyush Gupta through the CIAP PEDICON at Mumbai in February 2021. Ably supported by our dynamic President of 2020 Dr Bakul Parekh who says "Nothing is Impossible". The organising Team Mumbai made the event very memorable. Dr Bakul Parekh during the Covid times had brought a tsunami of Academics through his envisioned dIAP platform which was not only appreciated and enjoyed by all the members but many members participated in them regularly.

Dr Piyush has vision and lined up so many programs for the child health, public health in this Covid era and for his passion towards Medical education. Being an astute academician he has great inclination towards Research and publications. We stand by and support his commitments for the member Pediatricians. Every child should be accorded with the opportunity to grow, develop, and fulfill their human potential. The President has taken up the onerous task of releasing the Parental guidelines.

I was lucky to have worked and contributed towards the objectives of IAP when I was elected to the post of Jt Secretary Liaison again with your overwhelming support to serve the Academy in 2018-19. I had tremendous support of Dr Santosh Soans President 2018 and Dr Digant Shastri President 2019. A lot was achieved in the field of Immunization, Nutrition, Infections, Tuberculosis and Adolescent health issues and for Medical education.

IAP works towards strengthening with the partners the advocacy, education, and programming on behalf of children. IAP was invited in various forums Governmental, International, Non-Governmental forums addressing child health issues, policies etc and I had the opportunity of representing IAP. This led to further strengthening of the technical relationships and collaborating with the Government departments of Health, Child welfare, Niti Ayog, WHO, UNICEF etc to chalk out further guidelines in promoting physical, mental, and social health and realizing high standards of health for newborns, children, and adolescents.

It was a great opportunity to work with IAP stalwarts through 2018, 2019, 2020 and 2021 with great vision, dedication, passion and commitment for the Academy making it inclusive for one and all. Dr Santosh Soans, Dr Digant Shastri, Dr Bakul Parekh and Dr Piyush Gupta as Presidents taking everyone along and steering with great support by all the honorable Vice Presidents who happen to be my good old friends and the Secretaries Dr Remesh Kumar now President elect and Dr Basavaraja as current secretary. Treasurers Dr Upinder Kinjewadker and Dr Purna Kurkure, Dr Sandeep Kadam and Dr Harish Pemde and Dr Samir Dalwai as Jt Secretaries of their respective years were taking care of the many responsibilities shouldered on them.

We all learn from each other's experiences and contribute to address the needs and improve the lives of the children of this great nation.

I hope to serve the Academy with greater zeal and enthusiasm for the progress and benefit of the children.

Wishing you a great year ahead 2021

Jai IAP, Jai Hind

Yours in Academy service

**Prof. Sangeeta Yadav**

Vice President IAP NZ 2021

Jt Secretary Liaison 2018-19

Professor of Excellence

Ex Head Dept. of Pediatrics

Maulana Azad Medical College& Assoc Hospitals

Ex Head Dept of Pediatrics

Faculty of Medical Sciences

University of Delhi

New Delhi

My Dear Friends

Greetings from Chennai, South Zone

Firstly, I thank all IAP members from all over India for electing me with over whelming majority.

COVID 19 has changed our lifestyle completely both physically and psychologically. Yet the positive side of the coin are lesser / no travel, some quality time with family and enjoying the academics from the comfort of our home. Academic activities are reaching the unreached, thanks to dIAP. For this we must complement our Honourable president Prof. Piyush Gupta, Hon. Past President Dr Bakul Parekh and dynamic HSG Prof. Basavaraja.

I request all IAPIans from south zone to support all CIAP programs whole heartedly.

1. "Nurturing Care for Early child development" - to be launch shortly as a flagship program of IAP in 2021-22 by our beloved president Prof. Piyush Gupta. CIAP is planning to train 10,000 paediatricians all over the country, so as to reach 10 million parents in next 2 years.
2. National tuberculous Eradication program (NTEP) - This is an important program in association with Govt. of India. Few branches from south zone are yet to complete this program due to COVID 19 and I request them to conduct as early as possible.
3. Parental guidelines: This is the brain child of our Hon. President's visionary program. I request all our members to take it up in a big way
4. Other Programs
  - Cowin TOT
  - TASK module
  - Allergy module
  - NRP
  - PG clinics in dIAP platform

South zone Pedicon is proposed to be held at Kozhikode, Kerala from 12-14th November 2021, where as Tamilnadu Pedicon is going to be held at Puducherry from 14-16th August 2021 and Karnataka Pedicon from 19 to 21st November 2021. I request all our members to participate in all the Pedicons and make them a grand success.

I request all of you to celebrate/ conduct IAP week/ days in your state/district/city branches of south zone as per the schedule.

Kindly do more charity programs in our Zone.

I request those branches who haven't registered yet with Registrar of Societies and get PAN Card, as early as possible. It is mandatory for all the IAP branches. After registration kindly submit a copy of the certificate of registration, PAN Card and Bank details to CIAP with a copy to respective state branches.

Hoping to recover from the COVID 19 situation very soon and looking forward to meeting all my dear fellow colleagues in OB & EB in person.

Stay safe & stay healthy.

Your's in Academic service

**( Dr Major K. Nagaraju )**

Vice President CIAP - South Zone.

Dear friends,

Warm greetings

As the vice president central zone IAP I take this opportunity to thank you all for the overwhelming affection and respect,

The academy demonstrates its strength in diverse portfolios of academic enhancement, sharing of medical advances,

Social and societal responsibilities, and it's all about each and every one of our members contribution and participation.

The devastating scenario of covid hasn't stopped us from continuing with our pursuits. We laid the foundations for newer version of connectedness and zoom meetings could balance the physical distances .

I acknowledge the spirit of all the participants and members contribution in their preparedness for the digitalised conversion of the function of our academy.

Every testing time help us realize our potentials and resources for sustenance and global rise of academic and research achievements.

We shall stand unabated and move on with hands held together

Dear Respected fellow IAPians,

I am very much elated and excited to communicate my feelings after getting elected as National Vice president 2021. I am really indebted and grateful for your affection and blessings. I promise you to come true to your expectations through my hard work and dedication.

Last year was full of a lot of dismay & despair in everyone's day today life. It seemed that the whole world would come to standstill and nothing is going to happen in the worldly matters. But thanks to the resilience and determination of human race, we fought an ultimate battle with 'THE COVID 19 PANDEMIC' and are about to turn the tide in our favour. The war against Novel Corona virus is yet far from over but the resolve to steadfastly defying the odds is obvious.

All the world leaders in fields of life like Political, Medical, Science & Technology, Education and Social field contributed in this fight. The greatest being the contribution from the COMMON MAN. It was the biggest test of character of human race. Salute to each and every foot soldier in every field of life for the biggest fight against the dastardly COVID disease, the biggest Pandemic in the history of HUMAN KIND.

We, The Medical fraternity contributed the most as FRONTLINE COVID WORKERS and played the most important role of the saviours of mankind. Its because of the sacrifices and the hard work of Medical fraternity including Doctors, nurses, Paramedical staff and the other Frontline Covid workers, the menace of COVID PANDEMIC could be brought under reasonable control.

IAP as an organization played a pivotal role as an important organization working for the advocacy of child health in, not only India but abroad also. Indian Academy Of Pediatrics showed the same resilience and converted the CALAMITY in to an OPPOTUNITY. Over 1000 web programs and over several lakhs of pediatrician viewers , along with dIAP, it carried on with its duties to guide and educate the members. The academic programs never came to a halt but continued with new energy. Webinars, Web weeks, Web conferences, Web meetings were in place instead of physical ones. It was possible under the visionary leadership of Dr. Bakul Jayant Parekh , President 2020. Dr. G. V. Basavraj, HSG was most instrumental in implementing the policies. A history was created in the records of IAP. Thanks and congratulations to Dr. Bakul Parekh & team CIAP 2020.

Year 2021 started with Dr. Piyush Gupta, President 2021 & Team CIAP, taking the reigns from Dr Bakul Parekh. First time in annals of IAP, CIAP Hybrid conference was held at Mumbai. It was a very successful attempt to defy all odds and carry on with the working of CIAP . Many more ambitious Academic, Social, Cultural programs are lined up for this year." Nurturing Care- for Early Childhood Development" is the program which is going to be the one at the centre of the Program pedestal. The other workshop modules like COWIN UDAY, MISSION SCHOOL UDAY, NRP and Several other important modules useful in day today practice are already launched and are operational. Several old modules are being continued and / or relaunched. Several charity programs like Tribal welfare programs for Children and Program for Marginalized children in Rural areas are being planned under the most able leadership of Dr Piyush Gupta.

Everywhere in the world the norms have changed. Tele marketing, Tele consultation, e-Learning, e-Banking, eTransactions are now the new norms. World is adapting to it very fast and very efficiently too. These have imparted new dimensions to our lives and I presume it will be continued in future.

It's the beginning of the year 2021 with new hopes, new vigor and new vision. Let us join our hands together to write a new page in the History of IAP. Explore new horizons of Wisdom and Knowledge. Let us start the year with hope of normalcy in everybody's life.

Wishing everyone a Happy, Educative, Enriching and Healthy year 2021 with IAP.

**DR. JAYANT VINAYAK UPADHYE.**

NAGPUR. MAHARASHTRA.

VICE PRESIDENT CIAP 2021 WEST ZONE.

Greeting from the new team of CIAP 2021

The year started with our academic "GURU" Prof. PIYUSH GUPTA taking over as president 2021. Thanks to his futuristic planning from 2020 Prof. PIYUSH SIR launched the service of PARENTAL GUIDELINES which was widely appreciated by our members all over the country. No doubt, these Parental guidelines will be useful to paediatricians. These will be India specific guidelines and will fulfil a major lacuna for the parents of our country. The formation of these guidelines were the result of great teamwork.

The Hybrid Pedicon 2021, Mumbai saw the installation of the new EB/OB. It was great success story of our President 2020 Dr Bakul Jayent Parekh whose MIDAS touch and organising capability was at the highest level. Thanks to the Mumbai Organising team led by joint secretary, our dynamic Dr. Samir H. Dalwai.

The pedicon saw the launch of another flagship project of IAP NC-ECD (NURTURING CARE –EARLY CHILDHOOD DEVELOPMENT) BY Prof Piyush Gupta is collaboration with WHO –UNICEE. The future of Indian Children in poised for a change for the better.

With our ever energetic HSG Prof. Dr. G.V. BASAVARAJA at the Helm of affairs since 2020, the IAP Office is being streamlined. In fact IAP is now responsive to the needs of our members.

Thanking all dear members for splendid efforts to raise standard of IAP.

***Our hearty congratulations to the following members on their election as Fellows of IAP 2020:***

## **REPORT OF THE FINAL ROUND OF THE 14<sup>TH</sup> IAP PEDIATRIC QUIZ FOR POSTGRADUATES 2020 HELD DURING CIAP PEDICON 2021 AT MUMBAI**

The 14<sup>th</sup> IAP NATIONAL PG QUIZ 2021 was conducted on 5<sup>th</sup> February at PEDICON Mumbai (Hotel Sahara ) on IAP digital platform from 6.00 p.m to 7.00 p.m

There were a total of five teams. They were the winners of East, West, Central, North, South zonal rounds conducted by zonal coordinators appointed by IAP.

The 14<sup>th</sup> IAP NATIONAL PG QUIZ 2021 was conducted under the Expert supervision of Dr.Anand Kesavan National Convener of the PG Quiz .The entire Department of Paediatrics, NKP Salve Institute of Medical Sciences & Research Center & Lata Mangeshkar Hospital ,Nagpur had worked the year long to prepare the questions for the PG Quiz. The final questions were scrutinized by IAP President 2021 Professor Dr.Piyush Gupta. He suggested some changes and the necessary changes were incorporated accordingly The rounds for the quiz were as per IAP guidelines. There were total 7 rounds including one visual round . The Teams were made aware of the rules and markings prior the starting of quiz. Since this was the first time such a virtual online quiz was being held, a trial round was held a day prior so that all participants were comfortable with the new mode. It was conducted in an impartial manner and participants were allowed to bare their views which were entertained and addressed.

The quiz was conducted by Dr.Nilofer Mujawar ,Professor and Head of department of Pediatrics NKPSIMS & RC & LMH. Prof. Dr.Piyush Gupta was the judge. Time Keeper was Dr.Gouri Rajput and score keeper was Dr.Kiran Gaikwad. The Participants were allotted teams after a pick by the organisers and the teams were as follows:

- Team A: East zone :** AIIMS BHUBHANESHWAR  
Dr.Shyam Chandrasekar and  
Dr. Karthika IK
- Team B: Central zone :** GANDHI MEDICAL COLLEGE , HYDERABAD  
Dr. K S L Sowmya and  
Dr. M Santosha
- Team C: West zone :** BJ MEDICAL COLLEGE , AHMEDABAD  
Dr.Dhruti Pandya and  
Dr.Jyoti S
- Team D: North zone :** RAM MANOHAR LOHIA HOSPITAL & ABVIMS, DELHI  
Dr. Athira K and  
Dr. Sudharshan J
- Team E: South zone:** JIPMER PUDUCHERRY  
Dr.Gowri Shankar B and  
Dr.Minnaladevi.

The pattern B of IAP quiz was followed where all teams submitted their responses to questions that were transferable and unanswered by a team were given marks. It was an enjoyable experience. The event was relayed all India.

Following are the results:

### **WINNERS:**

**3<sup>RD</sup> PRIZE: Dr.Dhruti Pandya and Dr.Jyoti S (BJMC, AHMEDABAD)**

**2<sup>ND</sup> PRIZE: Dr.Shyam Chandrasekhar and Dr. Karthika (AIIMS BHUBHANESHWAR )**

**WINNERS OF THE 14<sup>TH</sup> IAP PG QUIZ : Dr.Gowri Shankar and Dr.Minnaladevi (JIPMER PUDUCHERRY)**

### **PRIZES; Other than Certificates**

**1<sup>st</sup> prize winner bagged 1,00,000 /- rupee check**

**2<sup>nd</sup> prize winner: 50,000/- rupee check**

Thanks to hard work for getting this sponsorship by Dr.Bakul Parekh,IAP president and Dr. G. V. Basavraja ,Dr. Piyush Gupta.

**The zonal coordinators were:**

**East Zone:** DR DIBYENDU RAYCHAUDHURI

**West Zone :** DR BELA H SHAH

**North Zone:** DR ANJU AGGARWAL

**South Zone:** DR NAGALATHA S

**Central Zone :**DR SHALLY AWASTHI

We are extremely thankful to the zonal coordinators for all their effort to conduct the zonal round of the quiz in short duration of time. Dr.Basavraj secretary IAP ensured that all zones were able to use dIAP platform. Quiz was widely attended and appreciated.

IAP PG QUIZ 2021

**REPORT OF THE FINAL ROUND OF THE 33<sup>RD</sup> IAP PEDIATRIC QUIZ FOR UNDERGRADUATES 2020 HELD DURING CIAP PEDICON 2021 AT MUMBAI**

The 33<sup>rd</sup> IAP quiz for undergraduate students was held at 58<sup>th</sup> conference of IAP(**CIAP-PEDICON 2021**) in Mumbai on 5<sup>th</sup> Feb, 2021 on the digital platform. The IAP coordinator was Dr . G Basavaraja (HSG, IAP). Prof Srikanta Basu was National coordinator and quiz master of this National event. Prof Ravinder K Gupta was the convenor of this quiz, and Dr Preeti Singh was the scorer and Time keeper .

Following were the teams representing their colleges, as winners from their respective zones.

<b>Zone</b>	<b>College</b>	<b>Teams</b>	<b>Points</b>
<b>Central zone</b> (Team B)	Rangaraya Medical College , Kakinada, AP	<b>A Yesu Raju</b> <b>P. Sai Satya Aparna</b>	50 ( <b>Winners</b> )
<b>North zone</b> (Team A)	Sawai Man Singh Medical College, Jaipur,Rajasthan	<b>Naman Gupta</b> <b>Mukesh Sidana</b>	50 ( <b>Runners up</b> )
<b>East zone</b> (Team C)	Government Medical College, Bettiah, Bihar	<b>Anshu Gupta</b> <b>Sakshi Jha</b>	15
<b>South zone</b> (Team D)	Government Medical College Thiruvananthapuram, Kerala	<b>Reshma Prakash</b> <b>Satheesh kumar U</b>	25
<b>West zone</b> (Team E)	GMERS Medical College Gotri, Vadodara, Gujarat	<b>Tanvi R Aiyer</b> <b>Shivangi M Desai</b>	20

The quiz was held on the virtual platform and for the first time it was showed live in two halls ie Hall no A and Hall no B in the plenary session on 5/2/21 at 5 pm. It was very closely contested quiz, where 4 teams were fighting neck to neck till the fifth round . At the end of Round 6 , two teams were tied at the same score . Eventually a tie breaker round was held and team representing Central zone was declared winners. It was very well attended quiz and the audience appreciated and encouraged all the participating teams. The total prize money was 1.5 lacs and was distributed amongst the winners and runners up teams. The coordination committee is thankful to Dr Bakul J Parekh (Immediate Past President ) and Dr Piyush Gupta( President, IAP) for setting the bar so high for this academic event for the undergraduates , who are future of Pediatric Medicine.

Hosted by

# Invitation

Fellow IAPians,

Noida is Beckoning ..... and Your presence is most cherished !!

The Caravan of PEDICON is arriving in Noida, the vibrant city of Uttar Pradesh, almost after 40 years!!! Team AOP Noida is on cloud 9 as it has got the golden opportunity of hosting you in the year 2022. Our joy is boundless and it is difficult to express our emotions since almost two generations have passed waiting for this moment.

Uttar Pradesh is a land of evolution of knowledge, wisdom, vivid cultures and spirituality. This pious land is a birthplace of Lord Rama & Charismatic Krishna, the land of Sangam of the Holy Ganges, Yamuna & Saraswati. It is a land of Islamic learning in Deoband. It is a land of architectural marvels and UNESCO world heritage site as Sarnath and one of the wonders of world, The Taj Mahal.

In fact there could not have been a better place other than the blue eyed city of Noida to host the Pedicon. Noida is a perfect example of modernity meeting the tradition, a city with its rich diversity; The Electronic City, the city with its lavish and opulent Malls known for their unique food, shopping and entertainment experiences. Noida is home to a plethora of National & Multinational corporates and Universities. The city which best relates to the magic of rapid urbanization in India and best symbolizes the harmony between human habitat and Industrial Enterprise.

We assure that the 59th National PEDICON year 2022 at Noida shall deliver

- A never before seen experience with its extraordinary & enriching academic feast and will set a benchmark for forth coming PEDICONS
- Unmissable Scientific Program designed to fulfil and quench every participant's thirst for learning
- An unforgettable experience in Hospitality with an array of mouth-watering, legendary culinary delicacies of the region
- Showcasing the rich cultural heritage of U.P. and a unique entertainment programme
- A fulfilling fellowship and camaraderie

## AT THE ONE AND ONLY

The Indian Expo-Mart, Greater Noida, the largest convention centre in India, truly a World Class destination.

So, HURRY UP and Register before its too late. Don't Miss This Golden Opportunity!!!

Sincere regards,

**Dr. Vineet Saxena**  
Organising Chairperson

**Dr. Arvind Garg**  
Organising Chairperson

**Dr. Ruchira Gupta**  
Chief Organising Secretary

**Dr. Vineet Tyagi**  
Treasurer

## Call for 'Free' & 'Award' Papers for PEDICON 2022, Noida

The Scientific Committee invites scientific abstracts for presentation at PEDICON 2022, the 59th National Conference of Indian Academy of Pediatrics, to be held from January 16 - 20 , 2022 at The India Expo-Mart, Greater Noida, Uttar Pradesh.

Before starting the submission process, please check the guideline for technical problems or submission support. Please contact organizers at [abstract@pedicon2021noida.com](mailto:abstract@pedicon2021noida.com) for the same

### IMPORTANT

- The last date for submission of abstracts is **30<sup>th</sup> July 2021**. This deadline will be strictly observed.
- Authors should submit abstracts with a clear understanding that the research work is original, and has been conducted following all necessary regulatory approvals, including clearance from an institutional/independent ethics committee. The authors submitting the paper should also declare that all the listed authors qualify ICMJE authorship criteria.
- Central IAP membership number is mandatory for presenting author. The presenting author should be listed as first author of the abstract. In case presenting author has applied for membership, please mention "Applied for Membership" in the membership number field.
- PEDICON 2022 does not take responsibility for abstracts which are not considered due to wrongly entered membership number/membership application not accepted on the date of review.
- Papers from non-members will not be accepted.

### GENERAL INSTRUCTIONS

- Abstracts must be submitted on or before the last date. Abstracts received after the deadline will not be considered.
- Abstracts must be submitted online via the website at [www.pedicon2021noida.com](http://www.pedicon2021noida.com)
- ABSTRACTS SUBMITTED BY EMAIL WILL NOT BE ACCEPTED.
- Abstract should be written only in English.
- The abstract should not exceed the prescribed words limit in the specified category.
- The selection, format and mode of presentation (oral or e-poster) of free papers & e- poster and case report will be decided by the scrutinizing committee from amongst the abstracts received and authors will be informed accordingly.
- Abstract content will be reproduced exactly as submitted, therefore proof reading beforehand is essential. Please conduct a spell check of your document, before submission as this will help avoid typographical errors.
- Please do not submit multiple copies of the same abstract.
- Abstracts have been previously presented at another meeting should not be submitted.
- The presenting author is required to ensure that all co-authors are aware of the content of the abstract and agree to its submission, before submitting the abstract
- Disclosure of Conflicts of Interest: Abstract authors are required to disclose any conflict of interests in the submission form.
- If you are submitting more than one abstract, you can use the same email address and password for each abstract.
- **Amending your submission:** The submission form allows you to store your abstract as a DRAFT until the deadline. After the deadline if not submitted, drafts will be deleted.

- Click on the SUBMIT button at the end of the process in order to submit your abstract. You may log in to the system later to make changes to your abstract, up to the submission deadline. after the deadline, changes will not be possible.
- **Withdrawing an abstract:** If you would like to withdraw your abstract, please contact the Conference Organiser.
- **Confirmation of submission:** After you submit your abstract, you will receive a confirmation email containing the title of your abstract. You can re-enter the submission link at any time to view and edit your abstract until the deadline date. If you do not receive this confirmation e-mail, please contact the Abstract Management Secretariat PEDICON 2022 at abstract@pedicon2021noida.com

You will receive a copy of your abstract in the confirmation email, so please save your abstract accordingly for your records.

## ABSTRACT CATEGORY & TOPICS

**Your abstract should be submitted to one of the following categories:**

1. **Research Paper** - The text (Body) of the `abstract` for Research papers should contain no more than 300 words. It should be structured in the following manner:
  - o Objectives
  - o Methods (including statistical methods where relevant)
  - o Results
  - o Conclusion

The research papers not selected for `Oral` will be taken for `e-Poster`.

2. **Case Report** -.The text (Body) of the `Abstract` for Case Reports should contain no more than 300 words. It should be structured in the following manner
  - o Background
  - o Case characteristics (patient's age, gender, clinical presentation)
  - o Outcome (Result of tests revealing the diagnosis, response to treatment, outcome)
  - o Message (one single statement directly emerging from the present case)

Case reports will only be considered for e-posters

**Submissions must be done under one of the following topics:**

o Adolescent Pediatrics (ADOL)	o Infectious Diseases & Vaccinology (ID)
o Allergy and Immunology (ALL)	o Intensive Care & Pediatric Emergencies (IC)
o Cardiology (CAR)	o Neonatology (NEO)
o Community Pediatrics (CP)	o Nephrology (NEP)
o Emergency Pediatrics (PEM)	o Neurology (NEU)
o Endocrinology (ENDO)	o Non-communicable diseases (NCD)
o Gastroenterology and Hepatology (GHE)	o Nutrition (NUT)
o Genetics (GENE)	o Public Health (PH)
o General Pediatrics (GP)	o Pulmonology (PUL)
o Growth & Development (GD)	o Rheumatology (RHE)
o Hematology-Oncology (HO)	o Social Pediatrics (including Child Abuse and Neglect) (SP)
	o Miscellaneous (MISC)

## 2. Award Paper for oral Presentation

Research papers are invited in following categories of awards (Mandatory: Read the award rules before submission of your paper, which may be obtained from the Central Office on request. The papers not submitted as per award rules will be rejected.

1. Dr. James Flett Endowment Award (Two Prizes) for the best papers on "Social & Preventive Pediatrics".
2. Dr. S. T. Achar Endowment Award (One Prize) for the best paper on "Pediatrics".
3. Dr. S. S. Manchanda Neonatology Research Award (One Prize) for the best paper on "Neonatology".
4. Dr. V. Balagopal Raju Endowment Award (Two Prizes) for the best papers on "Child Health".

### Note:

1. The Abstract for submission should not be more than 300 words.
2. A complete pdf of FULL paper, including Abstract (as submitted above) should also be submitted as an attachment as per instructions available at website. The pdf should be blinded; i.e., it should not contain any identifying detail of the author, co-authors or institute where the work was conducted. The declaration certificate as prescribed in the award rules should be submitted as a separate attachment at the time of online submission.
3. The FULL award paper should be in the style of Research Papers published in "Indian Pediatrics". See instructions for authors at [www.indianpediatrics.net](http://www.indianpediatrics.net) for details.
4. The text of the Abstract should be structured into the following headings:
  - o Objective
  - o Study design
  - o Setting
  - o Participants,
  - o Intervention/Procedure
  - o Outcomes,
  - o Results
  - o Conclusions
5. The papers not accepted for award competition will be considered for presentation as free papers/e-posters, and information will be sent to corresponding author accordingly.
6. The last date for submission of award papers is **30th September 2021**, including the full paper (as attachment) and declaration form.

### Any queries regarding award papers should be directed to:

#### Hon. Secretary General, Indian Academy of Pediatrics

Kamdhenu Business Bay, 5th Floor, Plot No. 51, Sector 1, Juinagar, (Near Juinagar Railway Station),  
Nerul, Navi Mumbai – 400706 (India)

Email: [centraloffice@iapindia.org](mailto:centraloffice@iapindia.org)

### SUBMISSION GUIDELINES

- **Presentation format:** Authors can submit abstracts for oral and poster presentation.
- **Abstract Title:** The title of the paper should be brief but adequately descriptive.

- **Body text:** limited to 300 words (research & award paper) & 150 words for case report .We recommend using word-processing software (for example Word) for editing your abstract and counting the number of words. Typing your text directly into the field is not recommended. Please be sure not to include extra spaces and symbols, as these are included in the word count.
- The text of the Abstract should be structured
- Please do not enter any special characters, tables, references, or photos in the abstract.
- You will be asked to confirm that you will disclose any conflict of interests in your presentation at the Forum.
- Short CV of the presenting author is required

## **NOTIFICATIONS**

ABSTRACT ACCEPTANCE notifications will be sent in **November 1, 2021.**

## **SUBMISSION RULES AND CONDITIONS**

- By submitting an abstract, the submitting first-author confirms that all information of the abstract is correct and has been approved by the co-authors.
- Submission of an abstract constitutes the authors consent for publication. All research-based abstracts are being planned to be published in a special supplement of Indian Pediatrics. Abstracts of case reports might also be published in a proposed new journal from IAP – Indian Pediatrics Case Reports. The scientific presentations shall be under following categories.
- The submitting author warrants on behalf of all authors and institutions that he/she is the sole owner or has the rights of all the information and content (“Content”) provided to PEDICON 2022(Hereafter: “The Organiser”). The publication of the abstract does not infringe any third-party rights including, but not limited to, intellectual property rights.
- By submitting an abstract, you grant the Organiser a royalty-free, perpetual, irrevocable non-exclusive license to use, reproduce, publish, translate, distribute, and display the Content.
- By submitting an abstract, you confirm that the contact details saved in this system are those of the corresponding author, who will be notified about the status of the abstract. The corresponding author is responsible for informing the other authors about the status of the abstract.
- The Organiser reserves the right to remove any abstract that does not comply with the above.

## **Hon Surg Cmde Late Dr. Shantilal C. Sheth Oration at PEDICON 2022**

Nominations of IAP members / Non-Members who have excelled in the field of “Child Health & Care” including, Community Pediatrics are invited by the Central IAP Office for award of Hon Surg Cmde Late Dr. Shantilal C. Sheth Oration at the Pedicon 2022 to be held in January 2022 at Noida, Uttar Pradesh. The nomination should be duly proposed and seconded by the IAP Members giving one page justification for the nomination of the proposed person and should be submitted along with a detailed biodata of the nominee in **SIX COPIES**. The nominees should give a statement in writing along with the nomination, duly signed by the nominee, stating that he / she has read the rules for award of Hon Surg Cmde Late Dr. Shantilal C. Sheth Oration and that the decision of the committee appointed by the Executive Board of IAP for award of this nomination will be accepted by him / her as final and binding on him / her and shall not ask for disclosure of marks of any nominee and / or nominations of other nominees for the oration. The nomination without signed statement of the nominee shall be considered as invalid nomination. The last date for submission of nominations is **30<sup>th</sup> September 2021.**

Only Books published by Central IAP and / or IAP National Publication House at Delhi, alone or together with other approved Publication Houses, will be released during a Function at PEDICON, as per the decision taken by the Executive Board at its meeting held on 18<sup>th</sup> & 19<sup>th</sup> January 2012 at Gurgaon. Henceforth publications from private publisher, and not approved by Central IAP / IAP National Publication House / IAP Executive Board will not be released during Pedicon.

## REPORT OF PEDICON 2021

### CIAP PEDICON 4- 7 FEBRUARY 2021, MUMBAI.

( Dr. Bela Verma )

#### **“NURTURING CARE FOR EARLY CHILDHOOD DEVELOPMENT”**

**The CIAP PEDICON 2021**, the first of its kind of National Conference was iconic in every sense and sphere. Due to the pandemic restrictions, the CIAP Office bearers ( Dr. Piyush Gupta, Dr. Bakul Parekh, Dr. G.V. Basavaraja) came up with the brilliant idea of a 'hybrid' conference that was both physical and digital. Dr. Bakul Parekh was the CIAP Organising Chairperson and Dr. Samir Dalwai, the local Organising Chairperson.

Based on the theme of “Nurturing Care for Early Childhood Development”, the conference was attended virtually by 17000 – 18000 IAP members across the country and physically by 650 members. The virtual reach of the DIAP platform broke all records as the conference reached out to thousands of eager members, satiating their academic appetite.

The conference can be compared to a rainbow with seven colors streams emanating from it – a superlative scientific program, excellent faculty, a unique welcome and introduction of the new President 2021 Dr. Piyush Gupta, a beautiful venue, comfortable accommodation, lip smacking cuisine and musical evenings that compelled everyone to shake a leg on the floor.

The pre-conference ToT's of NRP, Mission School Uday and Mission CoWIN Uday, were well attended and appreciated.

The important highlights of the conference apart from the scientific sessions were as follows:

- 1. ( Excerpt by Dr. Samir Dalwai ) The Presidential dinner** is one of the most important event as it is the first official event of the PEDICON as well as the first social event where the new President interacts on the Central IAP platform with members, even before the official installation. It is often celebrated with pomp and regality.

In consideration of the unique personality that defines our respected President, Dr. Piyush Gupta Sir, we planned an evening with a difference that would be in line with his stature.

As the members gathered and were seated by 8.30 pm, the lights were shut off and a spot light shone on the President. He was escorted on to the dais by the immediate past President Dr. Bakul Parekh, President elect Dr. Remesh Kumar and Hon. Secretary General Dr. Basavaraja. On the stage the Past Presidents and Secretaries joined them to congratulate and wish him good luck.

Thereafter, the President sat down for a tete-a-tete with Dr. Samir Dalwai, Joint Secretary, CIAP and local organizing Chairperson. The session was titled “The President, The Professor, The Man: Dr. Piyush Gupta”.

Over the next hour, Dr. Dalwai presented precious photographs sourced from Dr. Gupta's family, depicting various milestones and memorable moments in Sir's life. Sir shared interesting details of his life's journey, regaling the audience with his wit, humor and charm, replete with all the diverse attributes and talents he possesses.

Thanks to this 'guftagu' , we realized Sir has been a theatre artist of repute, is a musician, a poet, a chef, a photographer, an avid traveler and above all, a simple down to earth person who is very close to his family and a great friend to many, revered by his students and mentees.

The highlight of the evening was when Dr. Dalwai invited Sir's family on stage- Mrs. Anjali Gupta, son Aayush and daughter Dr. Payal Gupta for a very emotional and memorable moment of the evening.

The interview was followed by a sumptuous dinner with a carefully chosen delicious menu by Dr. Bipin Shah.

The audience reaction was gratifying as everybody validated the perfect installation for a President of Dr.Gupta's stature and greatly appreciated the beautiful wide canvas that he represents beyond his academic repute.

- 2. The inaugural function** of the conference was a grand event. It was to be graced by the Honorable Health Minister Dr. Harshvardhan through video conferencing, but as he was busy, he later sent a video recorded message. It was a pleasant surprise and a matter of great pride for IAP members that the honorable Minister was aware of each and every activity, achievement and action plan of the IAP. He thanked the IAP for always working closely with the GoI for various health campaigns. He congratulated the President 2021 on the launch

of the Parental guidelines on 100 common childhood problems. He appreciated the online tools of the Navjaat Shishu Suraksha program and was very impressed with the ECD program and assured full cooperation from the GoI. He conveyed his best wishes for the 58<sup>th</sup> National Conference.

3. **The President installation function** was presided over by respected Dr. Y.K. Amdekar Sir as chief guest. A very emotional Dr. Bakul Parekh Sir narrated about his tenure 2020 which was a tough year for everyone and then he adorned the incoming President Dr. Piyush Gupta Sir with the medallion. Dr. Piyush Gupta shared his vision for the year 2021 with everyone. A five minute recorded video with Shri Gulzaar, the well known Bollywood personality, was played on screen. Dr. Y.K.Amdekar Sir was felicitated with a lot of respect and love.
4. **The Seth Shantilal Oration** was delivered by Dr. Tejinder Singh on "Assessment, Mentoring and Competency based Education". He emphasized on use of subjective tools with high validity and educational impact. He was also of the opinion that we should move away from 'assessment drives learning' to 'learning drives assessment'.
5. **IAP – WHO – UNICEF collaborative** session on "Primary Care Interventions for Early Childhood development" was a virtual session with simultaneous live telecast. It was 2-hour session on "Primary Care Interventions for Early Childhood Development" held on Friday, 5th February 2021 in a hybrid mode. The pediatric primary care setting offers a platform to promote positive parenting behaviors and a young child's optimal development. The session aimed to discuss approaches and role of key stakeholders to promote Early childhood development (ECD) through Primary health care (PHC).
6. **IAP-WHO Collaboration on NC-ECD, National Meeting of Stakeholders Feb 6, 2021,**

was held under the chairmanship of Dr Piyush Gupta, Dr Deepti Agarwal (WHO), Dr Sujeet Kumar Singh (GoI). The basic ingredients of optimal development for a child are nutrition and health, hygiene, protection and responsive stimulation, which together constitute 'nurturing care'. Healthy early childhood development is important for all children. IAP President Dr Piyush Gupta informed all the members that we are committed to adopt all the components of the WHO/UNICEF Framework for Nurturing Care for Early Child Development (NC for ECD) in Pediatric practice. In continuity with the IAP Consensus Statement on Early Childhood Development 2020, we commit ourselves and our team members to provide an optimally healthy, safe, enabling, and nurturing environment for all children from birth till three years of age.

IAP-WHO Collaboration on Early Child Development focuses on advocacy and pre-service education.

#### 7. **Award Winning Research Papers -**

##### **Dr. James Flett Endowment Award (1st Prize)**

##### **CAN STOOL CBNAAT BE USED IN THE DIAGNOSIS OF PULMONARY TUBERCULOSIS IN CHILDREN?**

Dr Dhrithi Kodethoor

Department of Pediatrics, Maulana Azad Medical College, 2<sup>nd</sup> Bahadur Shah Zafar Marg, Balmiki Basti, New Delhi.

##### **Dr. James Flett Endowment Award (2nd Prize)**

##### **THROMBOPHILIA IN CHILDREN WITH IRON DEFICIENCY ANAEMIA : AN OBSERVATIONAL HOSPITAL BASED STUDY.**

Dr Varsha R Sawant

1766, DDA Janta Flats, 2<sup>nd</sup> Floor, GTB Enclave, Nand Nagri, Delhi 110095.

##### **Dr. S. T. Achar Endowment Award**

##### **DEVELOPMENT AND VALIDATION OF PICU ADMISSION TRIAGE SCORE : A PROSPECTIVE OBSERVATIONAL STUDY.**

Dr Pusp Raj Awasthi, Dr Suresh Kumar Angurana

C/o Dr.Jayashree Muralidharan, Division of Pediatric Critical Care, Department of Pediatrics, PGIMER, Chandigarh 160012.

##### **Dr. S. S. Manchanda Neonatology Research Award**

##### **SERUM VITAMIN D LEVELS IN TERM NEONATES WITH PERINATAL ASPHYXIA.**

Dr Pooja Singh

Department of Pediatrics, University College of Medical Sciences and GTB Hospital, Delhi 110095

**Dr. V. Balagopal Raju Endowment Award (1<sup>st</sup> Prize)**

**INNATE IMMUNE DEFECTS IN PEDIATRIC LUPUS ARE A REALITY, NOT A MYTH- OUR EXPERIENCE AT CHANDIGARH.**

Dr Rakesh Kumar Pilania, Dr Kanika Arora, Dr Jitendra Kumar Shandilya  
Pediatric Allergy Immunology Unit, Department of Pediatrics,PGIMER,Chandigarh 160012

**Dr. V. Balagopal Raju Endowment Award (2nd Prize)**

**DOES STANDARD WHO ORS NEED TO BE MODIFIED FOR REHYDRATION OF CHILDREN WITH SEVERE ACUTE MALNUTRITION AND DIARRHEA: A RANDOMIZED CONTROLLED TRIAL.**

Dr Kumari Neha  
Department of Pediatrics, University College of Medical Sciences and GTB Hospital,Delhi 110095.

**8. WINNERS OF PG QUIZ :**

**3<sup>RD</sup> PRIZE: Dr.Dhruti Pandya and Dr.Jyoti S (BJMC, AHMEDABAD)**

**2<sup>ND</sup> PRIZE: Dr.Shyam Chandrasekhar and Dr. Karthika (AIIMS BHUBHANESHWAR )**

**1<sup>ST</sup> PRIZE WINNERS OF THE 14<sup>TH</sup> IAP PG QUIZ : Dr.Gowri Shankar and Dr.Minnaladevi (JIPMER PUDUCHERRY).**

**9. WINNER OF UG QUIZ :**

Zone	College	Teams	Points
Central zone (Team B)	Rangaraya Medical College, Kakinada, AP	A Yesu Raju P. Sai Satya Aparna	50 (Winners)

7. EK KOSHISH ( The story of Arushi ).

**14. Poster release** – "Prevention of Covid infection in school children".

**15.** The Conference ended with a **WHO-IAP-UNICEF-NNF-FOGSI-GOI** Collaborative Plenaries on NC-ECD and QI in Pediatrics followed by release of **MUMBAI CALL TO ACTION.** (now published in Indian Pediatrics March Issue under the Presidents Page).

The **Valedictory function** was an emotional culmination of the super successful and academically satisfying conference.

### World Obesity Day:

**World Obesity Day** will be observed on **04<sup>th</sup> March 2021**. The theme for this year will be **"OBESITY - ACT TODAY"**. The Central Office invites entries for World Obesity Day celebration award competition. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office, on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. The format for reporting is created. Kindly send your report only in this format. The reporting form can be requested from Central IAP Office – email: [centraloffice@iapindia.org](mailto:centraloffice@iapindia.org)

### IAP Child & Adolescent Health Care Week (CAHCW)

The branches are free to select their own week according to their convenience during the month of **March 2021**. The Theme is **"HEALTHY CHILD-NATION'S PRIDE"**. The Central Office invites entries for best CAHCW celebration award competition. The last date for submission of the report to the Central Office for award competition is **30<sup>th</sup> November 2021**. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before the last date. Kindly note hard copy of the report will **NOT** be accepted. A new and shorter version of the format for reporting is created. Kindly send your report only in the new format. The reporting form can be requested from Central IAP Office – email: [centraloffice@iapindia.org](mailto:centraloffice@iapindia.org)

### Teenage Day

The 1<sup>st</sup> Day of IAP Child & Adolescent Health Care Week (CAHCW) is to be celebrated as **"Teenage Day"**. The theme for the Teenage Day is **"LISTEN TO THEM, TALK TO THEM"**. The Central Office invites entries for best Teenage Day celebration award competition. The last date for submission of report to the Central Office for award competition is **30<sup>th</sup> November 2021**. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. A new and shorter version of the format for reporting is created. Kindly send your report only in the new format. The reporting form can be requested from Central IAP Office – email: [centraloffice@iapindia.org](mailto:centraloffice@iapindia.org)

### Daughter's Day

**"Daughter's Day"** is to be celebrated on Sunday which falls on the Child & Adolescent Health Care Week (CAHCW). The theme for Daughter's Day is **"BETI BACHAO, BADHAO, PADHAO; BHARAT KO AAGE BADHAO"**. The Central Office invites entries for best Daughter's Day celebration award competition. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. A new and shorter version of the format for reporting is created. Kindly send your report only in the new format. The reporting form can be requested from Central IAP Office – email: [centraloffice@iapindia.org](mailto:centraloffice@iapindia.org)

### IAP Healthy Lifestyle Day

**IAP Healthy Lifestyle Day** will be celebrated on any one day of the IAP Child and Adolescent Week, when IAP branches will focus on healthy lifestyle for children and adolescents. The theme is **"EAT HEALTHY, STAY HEALTHY"**. The Central Office invites entries for best Healthy Lifestyle Day celebration award competition. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. A new and shorter version of the format for reporting is created. Kindly send your report only in the new format. The reporting form can be requested from Central IAP Office – email: [centraloffice@iapindia.org](mailto:centraloffice@iapindia.org)

### World Down Syndrome Day

The World Down Syndrome Day will be observed on **21<sup>st</sup> Mar 2021**. The theme for this year's celebrations will be **"EMPOWERING KIDS WITH DOWN SYNDROME"**. The Central Office invites entries for IAP World Down Syndrome Day celebration award competition. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. The format for reporting is created. Kindly send your report only in this format. The reporting form can be requested from Central IAP Office – email: [centraloffice@iapindia.org](mailto:centraloffice@iapindia.org)

### Autism Awareness Day

**IAP Autism Awareness Day** will be observed on **2<sup>nd</sup> April 2021**. The Central Office invites entries for best **Autism Awareness Day** celebration award competition. The theme for this year will be **"RECOGNISE THE GENIUS IN ME~पहचानो मुझे"**. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. The format for reporting is created. Kindly send your report only in this format. The reporting form can be requested from Central IAP Office – email: centraloffice@iapindia.org

### World Thalassaemia Day

The **World Thalassaemia Day** will be observed on **8<sup>th</sup> May 2021**. The theme for this year's celebrations will be **"JOURNEY FROM CURSE TO CURE. थैलासीमिया, अभिशाप से रोग मुक्ति का सफर"** The Central Office invites entries for IAP World Thalassaemia Day celebration award competition. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. The format for reporting is created. Kindly send your report only in this format. The reporting form can be requested from Central IAP Office – email: centraloffice@iapindia.org

### ORS Day & ORS Week

It is proposed to celebrate **"ORS DAY & ORS WEEK"** during **July 2021** from 25<sup>th</sup> - 31<sup>st</sup> July 2021 as the "ORS DAY". **ORS Theme is "ORAL REHYDRATION, NO MORE DEHYDRATION (जीवनरक्षक घोल सही, निर्जलीकरण अब और नहीं)"**. Please participate in a big way for making it a great event. The last date for submission of report to the Central Office for award competition is **30<sup>th</sup> November 2021**. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before the last date. Kindly note hard copy of the report will **NOT** be accepted. A new and shorter version of the format for reporting is created. Kindly send your report only in the new format. The reporting form can be requested from Central IAP Office – email: centraloffice@iapindia.org

### World Breastfeeding Week

The World Breastfeeding Week will be celebrated from **August 1-7, 2021**. The Theme for this year is **"SUPPORT BREASTFEEDING FOR A HEALTHIER PLANET"**. Please participate in a big way for making it a great event. The last date for submission of report to the Central Office for award competition is **30<sup>th</sup> November 2021**. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before the last date. Kindly note hard copy of the report will **NOT** be accepted. A new and shorter version of the format for reporting is created. Kindly send your report only in the new format. The reporting form can be requested from Central IAP Office – email: centraloffice@iapindia.org

### IAP Charity Day

**Central IAP propose to celebrate 26<sup>th</sup> August, the Birth Day of Mother Theresa, as IAP Charity Day.** The theme for the year 2021 will be **"GIVE, SHARE AND FLOURISH"**. The Central Office invites entries for IAP Charity Day celebration award competition. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. The format for reporting is created. Kindly send your report only in this format. The reporting form can be requested from Central IAP Office – email: centraloffice@iapindia.org

### Rational Antibiotic Day

**IAP Rational Antibiotic Day** will be celebrated on **26<sup>th</sup> September 2021**. The Central Office invites entries for best **Rational Antibiotic Day** celebration award competition. The theme is **"THINK RATIONAL, BE RATIONAL, PRESCRIBE RATIONAL"**. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. The format for reporting is created. Kindly send your report only in this format. The reporting form can be requested from Central IAP Office – email: centraloffice@iapindia.org

### **Antimicrobial Awareness Week**

IAP Antimicrobial Awareness Week will be celebrated beginning from **28<sup>th</sup> September 2021 to 5<sup>th</sup> October 2021**. The theme is **"SELECT WISELY APPROPRIATE ANTIBIOTICS"**. The Central Office invites entries for best **Antimicrobial Awareness Week** celebration award competition. The last date for submission of report to the Central Office for award competition is **30<sup>th</sup> November 2021**. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before the last date. Kindly note hard copy of the report will **NOT** be accepted. A new and shorter version of the format for reporting is created. Kindly send your report only in the new format. The reporting form can be requested from Central IAP Office – email: centraloffice@iapindia.org

### **World Anaemia Day:**

World Anaemia Day will be observed on **26<sup>th</sup> November 2021**. The theme for this year will be **"AWARE AND BE BACK IN PINK OF HEALTH खून कमी"**. The Central Office invites entries for World Anaemia Day celebration award competition. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. The format for reporting is created. Kindly send your report only in this format. The reporting form can be requested from Central IAP Office – email: centraloffice@iapindia.org

### **Complementary Feeding Day**

The **Complementary Feeding Day** will be observed on **any day in November 2021**. The theme for this year's celebrations will be **"POORAK AHAAR SARVOPARI"** The Central Office invites entries for Complementary Feeding Day celebration award competition. This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or **before 30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. The format for reporting is created. Kindly send your report only in this format. The reporting form can be requested from Central IAP Office – email: **centraloffice@iapindia.org**

### **Best IAP Branch Awards 2021**

The Central IAP invites entries from IAP Branches for Best Branch Awards competition for the year 2021 in a prescribed format (may be obtained from Central Office). This report should be submitted on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. A new and shorter version of the format for reporting is created. Kindly send your report only in the new format. The reporting form can be requested from Central IAP Office – email: centraloffice@iapindia.org

### **Best IAP Chapter Awards 2021**

The Central IAP invites entries from IAP Chapters / Groups Awards competition for the year 2021 in a prescribed format (may be obtained from Central Office). This report should be submitted in on a **PEN DRIVE** in the format prescribed by Central IAP Office on or before **30<sup>th</sup> November 2021**. Kindly note hard copy of the report will **NOT** be accepted. A new and shorter version of the format for reporting is created. Kindly send your report only in the new format. The reporting form can be requested from Central IAP Office – email: centraloffice@iapindia.org

### **National BLS & CPR Day on 21<sup>st</sup> July**

### **Guidelines for Zonal Conferences Bids**

Bids are hereby invited from the IAP branches for hosting Annual Zonal Conference for year 2021. The Executive Board of IAP will select venue for each zone from amongst the bids received. The zones and the grouping of states are as follows:

**East Zone** - West Bengal, Assam, Meghalaya, Mizoram, Tripura, Manipur, Nagaland, Arunachal Pradesh, Sikkim, Jharkhand, Bihar, Odhisha

**West Zone** – Maharashtra, Gujarat, Goa, Dadra and Nagar Haveli, Daman and Diu

**North Zone** – Jammu & Kashmir, Punjab, Himachal Pradesh, Chandigarh, Uttarakhand, Delhi, Haryana, Rajasthan

**South Zone** – Kerala, Tamilnadu, Pondichery, Andaman Nicobar, Lakshadweep and Karnataka

**Central Zone** – Andhra Pradesh, Telangana, Madhya Pradesh, Chattisgarh, Uttar Pradesh

### **Guidelines / Requirements for Bidding**

- There will be annual zonal conference of the society every year of each zone, presided by Vice-President of that zone. These shall be held before 30<sup>th</sup> September of every year. These conferences be clubbed with annual conference of the state branch hosting the zonal conference. These Zonal Conferences preferable be clubbed with annual conference of one of the sub-speciality chapter of the society. Vice-President of that zone, chairperson of the concerned sub-speciality chapter and President of the State hosting the zonal conference and Organizing Secretary of the zonal conference shall decide the scientific program of the conference amongst themselves by a consensus. These Zonal Conferences must be without frills as far as possible. Sharing of the surplus, if any from the conference will be in ratio of CIAP 30%, Participating chapter 20%, State branch hosting the conference 10% and remaining 40% with local/city branch organizing the zonal conference. Any dispute regarding any matter will be referred to Executive Board of the society and decision of the President and Executive Board shall be binding to all concerned.
- An invitation for the Annual Zonal Conference of the society – Zonal Pedicon, can be extended by a recognized branch of the society. However, before extending the invitation by the recognized branch of the society, a prior formal general body meeting of the members of that branch should be called to elect the Organizing Chairperson, Organizing Secretary and Treasurer for the event, so that they get full support and active participation of all the members of the branch. The bidding local branch should submit the bid to Central IAP with a copy to the State Branch and in the event the State Branch bids for the conference in such a case the State Branch should mark the copy of the bid to the local branch of the host city. The bidding branch must have their own PAN Card Number, registration under 12AA of Income Tax, branch shall be registered with the Registrar Society / Public Trust authority/any other authority as per rules & regulations of the local state Government. Bidding branch must submit audited accounts of the branch of last three financial years (year ended last 31<sup>st</sup> March), along with the bid, a Demand Draft as bidding fee as prescribed by Executive Board in favour of "Indian Academy of Pediatrics", payable at Mumbai, or NEFT/RTGS transfer in "Indian Academy of Pediatrics" account, has to be submitted with the Bid. Bidding branch must submit a detailed budget of the event along with the bid. Failing to submit all above, Bid of that branch shall be rejected summarily and shall not be considered for the scrutiny by the committee appointed by the Executive Board. The bidding branch must not be in any arrears of the society.
- The venue for the Annual Zonal Conference shall be selected by the Executive Board from among the bids received as per procedure specified hereinafter-  
  
President will recommend a committee of 5 members with the approval of Executive Board, for scrutiny of the bids received,  
  
Executive Board in its next meeting will decided the venue of the Annual Zonal Conferences and by voting if necessary.
- Guidelines for protocol and organization to be followed during the conference will be decided by the Executive Board from time to time and communicated well in advance to the Organizing Secretary of the Conference by the Secretary General of the Society.

A memorandum of understanding (MoU) will be signed by the Organizing Secretary, Organizing Chairperson and Treasurer of the Organizing Committee of the Annual Zonal Conferences, President and Secretary of the organizing city or state branch as the case may be, and Secretary General and Treasurer of Indian Academy of Pediatrics, regarding contribution to corpus fund, sharing of the profits, internal and external audit of the event by the central office / organizing committee and transfer of the funds within a stipulated time with sharing of any financial liabilities to be shared by CIAPO and hosting branch proportionately. The Annual Report of IAP every year should publish the Budget of the next year Pedicon and the audited accounts of the previous year Pedicon for approval by members.

- The Organizing Secretary shall submit an separately audited Statement of Accounts of the conference to the Executive Board of the society within next financial year after the conference is over. After final audit all the accounts related to event PEDICON shall be closed and whatever funds are left shall be transferred to host branch.
- The host branch to pay Rs one lakh as bid amount and Rs Two lakhs as Administrative Fee to Central IAP.
- The venue of the conference should be able to accommodate at least 1000 delegates in the main conference hall during plenary sessions and should be able to provide halls for at least 3-4 concurrent sessions.
- The venue should be located within 1-5 kilometers of hotels that can accommodate at least 1500 delegates.
- The venue should also have appropriate areas designated for scientific exhibition, inauguration function, banquet(s), cultural event(s) and should have ample parking space
- If any branch bidding for National Conference shall not be eligible for hosting Zonal Conference and vice versa.
- Only those applications which are filled completely according to the prescribed format and received by the Central IAP Office latest by 15<sup>th</sup> May 2021 will be considered for the bid. The bidding branches thus selected will be informed of their selection after subsequent Meeting of the Executive Board. Each bidding branch will be invited to make a small PowerPoint presentation with the help of the EB member from their state, not exceeding 10 slides highlighting the important points mentioned in the application form for consideration of the Executive Board members of 2021.

Nominations for FIAP - 2021, on **prescribed form** are invited. The FIAP Nomination form could be obtained from the Central IAP Office on request. The nomination for FIAP should be submitted in 6 (SIX) copies. The nominations will be accepted from January 1, 2021 to April 30, 2021. The last date for submission of nomination for 2022 to the Central IAP Office is **30<sup>th</sup> April 2021**.

### Rules:

- The nomination should be submitted in the prescribed form duly proposed and seconded by the eligible Fellows and/or Life Members of the IAP to be submitted in **6 (SIX)** copies.
- Any Fellow/Life member of Society, who has, in the opinion of the Executive Board, rendered outstanding services for the furtherance of the objectives of Society, may be elected as a Fellow Members by the Executive Board in the manner hereinafter provided. Maximum such fellowship granted in a year will be one/ per thousand members of having voting rights subject to a qualifying mark of 70 per cent as per the criteria decided by the Executive Board.
- The nominee should have been a member of the Indian Academy of Pediatrics for 10 years before submission of his/her nomination to the Indian Academy of Pediatrics. The enrollment year of the membership of the nominee shall be taken as full year of membership for the purpose of computing 10 years of membership.
- A duly signed consent of the nominee stating that he/she is willing to be nominated to Fellowship of the Indian Academy of Pediatrics should be given.
- The eligible Fellow and/or Life member of the IAP is entitle to nominate only one nominee for FIAP in a year.
- The proposer and the seconder of the nomination should have been the member of the Indian Academy of Pediatrics for 10 years before proposing / seconding the name of any member for the FIAP.
- The membership strength of voting members shall be taken as of 31<sup>st</sup> March 2021.
- Any person who is either an Associate Life member of the society and who has in the opinion of the Executive Board rendered outstanding services for the furtherance of the objectives of the Society, may be elected as Fellow Member of the Society by the Executive Board of the Society in a manner hereinafter provided subject to a limit of two per year (over and above the fellowship awarded to Life Member). However, such fellows shall not have voting rights.
- The President of the society and Secretary General of the society will be given Honorary Fellowship, if they had not been given previously, after demitting the office.
- Honorary Fellowship can be bestowed on any other person, who has rendered his selfless yeomen services to the cause of child health, after approval of the Executive Board of the Society, subject to maximum two per year. Such honorary fellows will not enjoy life members' privileges including voting right and their name shall not be entered into membership registry. However, the President and the Secretary if given Honorary Fellowship will continue to be on the member of the membership registry.
- The nominations for fellowship shall be duly proposed and seconded by Fellow and/or Life member of the Society in appropriate format with recommendation for such a proposal, and the proposal and recommendation shall be submitted to the members of the Fellowship Committee constituted by the Executive Board. This five member committee shall consist of the President, President Elect, the immediate two preceding Past Presidents and the Vice President (Senior most by age) of Indian Academy of Pediatrics. The names recommended by such a committee will then be approved by the Executive Board.
- The evaluation of FIAP nominations will be done by the designated committee members.
- The nominations will be invited through an announcement in IAP's publications or in any other form like circular. The nomination should be submitted within a stipulated time to the Honorary Secretary General, Indian Academy of Pediatrics, Kamdhenu Business Bay, 5<sup>th</sup> Floor, Plot No. 51, Sector 1, (Near Juinagar Railway Station), Nerul, Navi Mumbai – 400706 (India)
