Let us energize ourselves to plan useful awareness programs on these important dates.

This issue will highlight various programs attended by our President Dr Santosh Soans - Karneocon, Delhi End TB Summit, IAP Website committee meeting, Mangalore Pedicon 2018 and "Saath Saath" IAP & FOGSI Perinatal meet which provided opportunities for our President to discuss Child Health in India and IAP Activities towards Child Health with our Honourable PM Sri Narendra Modi, Dr Vinod Paul of Niti Ayog and Health Ministers of Nigeria, Kazakhstan and Srilanka.

The IAP Action Plans are ready for 'ACTION' from this month onwards.

I am sure we will have many photos and reports to show in all upcoming issues of Child India e newsletters.

Wishing you all an April full of hectic IAP activities,

Yours in IAP service,

**Dr Jeason C Unni**  
Editor-in-chief

## President's Message

Dear Iapians,

Greeting from CIAP team.

Three months have passed since the present team took over the reins of CIAP. Last month has been hectic and also fruitful. After attending End TB Summit at Delhi where our honorable prime minister owed to eliminate TB by 2025. I had opportunity to meet our own Dr Vinod Paul of Niti Ayog and also health ministers of Nigeria, Kajakisthan and Srilanka. I request all the Iapians to involve in End TB Champaign of GOI and make sure our country will be free of tuberculosis at the earliest.

This month we had sent mails regarding the appoint for all CIAP committees and also action plan committees. We had arranged the meeting of Evoting committee, Election committee, Fact finding & Review committee. Next day we had enthusiastic young brigade of IAP involving in the website committee, digital IAP committee and SOP committee. We plan to table their report during forthcoming EB meeting. We are working on new ideas for our website which I am sure all of us will be proud off.

The IAP action plan 2018-2019 are poised to take off as most of the companies want to get involved in the new financial year. I promise that many action plan will roll out from April onwards.

Last week has been eventful with my home branch facilitating me during Mangalore Pedicon 2018. Historical Saath Saath – Perinatal Meet meeting of IAP + FOGSI was held at Mumbai on 25th March for the first time with their President Dr Jaideep Malhotra gracing this occasion. We plan to roll out the perinatal meetings across India. We are looking forward for the next EB meeting to be held at CIAP office on 07th and 08th April.

Wishing you all happy summer ahead.

With regards,

**Dr. Santosh T. Soans**

## Secretary's Message

Dear Friends,

Our e bulletin is into its 4th issue for the year 2018. The Editorial Team with Dr. Jeelson Unni at its helm is doing a wonderful work to bring out the best in organisational activities across the country every month through this publication.

The Team 2018 of CIAP is fully geared to roll out all the pending action plans also by the end of this month. We hope to have hitherto unreached branches across the country this time in the action plan ambit. The workshops as well as TOTs will be equitably distributed across all zones and states.

Request all my fellow office bearers in branches to send reports of your activities every month with select photographs to the Editor of Child India at [childindianewsletter@gmail.com](mailto:childindianewsletter@gmail.com).

Together lets build up a marvellous IAP family for the continued patronage of child welfare in this country.

Yours in IAP Services,

**Remesh Kumar R.**
