Dr Tp Jayaraman, Dr Ushamani K Elango  
Dr Vivek Saxena, Dr Vp Goswami  
Dr Yogesh N Parikh, Dr Ys Guru Prasad

## Editor's Note

Dear friends,

I hereby congratulate our beloved President of IAP 2018, Dr Santosh Soans and his OB, for thinking out-of-the-box to implement this novel project - CHILD INDIA - an e-Newsletter of the Indian Academy of Pediatrics. It is conceived as a monthly 8-9 page compilation of all IAP Activities, especially the reports with photographs of the numerous IAP Presidential Action Plans envisaged for 2018.

The inaugural issue of CHILD INDIA containing reports of IAP Activities done in Nov-Dec 2017, is being released today, the 4th day of Jan 2018, at this glamorous Inaugural function of the 55th Annual Conference of IAP - Pedicon 2018 - in India's Orange City - Nagpur.

I am privileged and honoured to be asked to be its Editor and I pray that almighty bless my meritorious Editorial Team and myself with the ability and vision to deliver the "dream" of our dynamic President. I, on his behalf and that of the EB 2018 and my Editorial Board, solicit the support, guidance, encouragement and constant inputs from all of you.

Wishing you all a Happy New Year,

Jai IAP!

**Dr Jeesson C Unni**

Editor

**Child India**

## President's message

Dear IAPian,  
Greetings from CIAP.

As the year 2017 comes to an end and the New Year begins, I too will be beginning a new innings in my life. On 4th January 2018, I shall finally assume charge as the new national President of IAP during National Pedicon at Nagpur. This will be a cherished personal moment for me and I thank you with all my heart for making this day come true. I also do hope that you are attending this conference and that you will be able to witness my installation ceremony. Your presence will certainly be a great source of joy to me.

I am very happy that my friend Dr Jeason Unni is coming out with Child India newsletter which will be published every month sent as a e-bulletin, I congratulate him and editorial board for bringing this out in such a short notice as our IAP action plan 2018-2019. As, I prepare to take up this high office, I wish to acknowledge the high expectations that you have of me. I also wish to assure you that I shall leave no stone unturned in trying to meet the multifaceted demands of the organization.

As you are aware, IAP has gone through a very turbulent phase. It is now time for us to put the past behind and create a new future. The need of the hour is obviously to foster harmony, revive unity, continuity and growth. As an initial measure and in consultation of the new President Elect Dr Digant Shastri, I have decided to make the Presidential Action Plan into a two year project so that seamless continuity is ensured.

Though this is being done on an experimental basis, I feel that every Presidential Action Plan should henceforth be phased out over two years. This will enable the incumbent President to invoke the confidence of both the President Elect and the Immediate Past President for the betterment of the organization. In short this move will bring the Past-Present-Future together. We shall similarly explore other avenues for organization reform and restructuring wherever possible.

IAP belongs to members. As the President it is my job to deliver on your dreams for IAP. I hereby cordially invite you to furnish me with your valuable inputs, suggestions, observations and feedback for making IAP into a thriving academic and professional body.

I look forward to your constant encouragement, involvement and support at all times.

I wish you and your family a Happy & prosperous New Year.

Thanking you,

With warm regards,

**Dr. Santosh T. Soans**

## Secretary's Message

Dear colleagues,

The year 2018 will dawn with the "Dream Team" of Central IAP in place. After an year of turmoil where we had the "academics" of this most accomplished academic body taking a back seat, we are quickly trying to set priorities in place and reassure our academician friends across the country that IAP is regaining its glory and charm of the yesteryears. Our dynamic President Dr Santosh Soans has started moving in right earnest and this "Child India" e Bulletin will be another feather on his cap.

Our fraternity across the country are actively engaged in having community oriented activities like Breastfeeding week, ORS Week, Teenage Day, Antibiotic Awareness Program etc. as well spreading advocacy on child welfare. Their activities are to be recognised and shared to their colleagues in other parts of the country. This will be a sort of inspiration also for those branches which are shying away from active involvement. Our new monthly E Bulletin "Child India" is sure to consolidate our activities at Central and branch level periodically. We are fortunate to have the services of a seasoned campaigner, Dr. Jeason C Unni, as the Chief Editor of this bulletin. We are sure Dr Jeason & his Team will be sharing the organisational and academic activities in the most attractive format & this Child India Bulletin will be the key for the grass root Pediatrician to access the IAP activities across the country in a single go.

Best wishes for the Bulletin; Happy New Year for all my academy friends..

Jai IAP, Jai Bharath !!

**Remesh Kumar R.**

Honorary Secretary General
