Editor's Note

Dear friends,

The July issue of Child India is upon us. We are sure you all would have celebrated **The Doctor's day** in a fitting manner on July 1st. July 28th is World HepatitisDay (Theme-'**Eliminate Hepatitis**'). IAP days and week celebrations for the year are also coming up - **IAP 'ORS DAY & ORS WEEK'** may be celebrated during a week that includes the 29th July (Theme is '**ORS all the day keeps dehydration at bay**'). We would also like to remind you that before the next Child India newsletter is online, we will have celebrated **The World Breastfeeding Week** between August 1-7, 2018 (Theme - '**Breastfeeding for Healthy Babies and Happy Mother**'). Reports for the Day and Weeks celebrations should be submitted to IAP CO on PEN DRIVE/CD/DVD in the format prescribed by Central IAP Office on or before 30th November 2018. Kindly note hard copy of the report will NOT be accepted.

Our President Dr Santosh Soans's engagements at IDCON held at Varodara, RAPID workshop and symposium at Raipur, the Pedicriticon held at Raichur and Sangam Pedicon held at Madurai.

IAP Action Plans are being conducted all over the country. Please submit photos of these sessions with caption to www.childindianewsletter@gmail.com.

Wishing you all a full month of hectic IAP activities,
Jai IAP!

Editor-in-Chief

President's Message

Dear Iapians,

Greetings from CIAP team.

We have just gone through half of monsoon season and my tenure as a President which I felt was rewarding as I crisscrossed across the nation. This month was too hectic President, President elect, HSG, OB's and EB's busy attending various meetings and action plans. On 01st June I attended Fogsi International Women's Health Summit at Delhi, panel discussion on Immunization was conducted by IAP during pregnancy which I was the moderator. I had the opportunity to meet my President elect Dr Digant Shastri in his home state during 02nd June Mehasana CME, Gujarat. Next week was hectic with inaugurating Bangalore Pedicon on 08th & being a chief guest at 11th National IAP- IJPP CME at Chennai on 10th June from there I had to fly to Singapore to attend 9th Congress of World Federation of Pediatric intensive & Critical Care Societies 2018, Singapore. I am quite happy to inform we had a large delegation more than 80 intensivists from IC Chapter of IAP. A Unity Meeting was organized among the members of Intensive care chapter on 16th June at Mumbai followed by Stride program consultative meet.

On Sunday 17th, we had scientific committee meeting of the pedicon 2019 along with President elect. I assure organizing team and scientific committee working hard to give the most memorable pedicon ever. Raichur hosted Pedicriticon where 600 delegates attended and 8 different workshops were held. I was fortunate to attend along with HSG and Treasurer Sangam pedicon at Kodaikanal where the pediatricians from the South Tamil Nadu attended.

Next weekend was in Vadodara where IDICON and EPID west zone IDICON TOT was held. More than 200 pediatricians across the west zone attended the program which was appreciated by all. One of the digital initiative IAP Medewise App for Immunization was launched by the President and President elect.

Next month I am sure as exciting as previous month, we are looking forward for the 3rd EB meeting to be held at Kochi. For the first time, we have called the meeting of President and Secretaries of every state of a beloved nation.

I take this opportunity to thank my HSG, President elect and all EB members and OB of 2018 for giving me support, affection and wishes to lead this great organization in to a better future.

With regards,

Dr. Santosh T. Soans

Secretary's Message

Dear friends,

The academy year 2018 has been thru its 2nd trimester. A thorough introspection at this stage seems quite gratifying for us at CIAP Office. We had been able to roll out almost all the activities envisaged in the Action Plan 2018. The branches have been energised to execute the CIAP activities to such a level that we are not able to cope with the requests for allotment of various action plans. And more over, even the branches which were hitherto unrepresented in IAP calendar in the past are being given opportunities to get involved and are very much visible now with their activities.

Our President has been moving at a fast pace with new initiatives apart from the action Plan. We have now been invited to partner in many projects with Govt of India as well as many non governmental organisations. We are also exploring and taking up more opportunities to liaison with paediatric associations of other countries to make IAP presence more global.

I take this occasion to congratulate the IAP branches and members across the country for giving the organisation a proactive image in child welfare and advocacy. And our news bulletin Childindia has given the much needed platform to share the activities amongst our members every month.

Warm regards,

Remesh Kumar R.

Hon. Secretary General 2018 & 2019
