## Editor's Note

Dear colleagues,

*Child India* moves to its 3rd issue for the year and we hope it has been serving the purpose that our President Dr Santosh Soans has in mind - i.e., to enthuse pediatricians all over the country to work for the welfare of children of our country.

The IAP Presidential Action Plans for the year will be rolled out and we will be informing you of the details. Please send in photos with a caption on programs done to [childindianewsletter@gmail.com](mailto:childindianewsletter@gmail.com). We are looking forward to putting 1-2 photos per program. So please select and submit only 2/program as it is difficult for the editors to decide which photograph is to be included in the e newsletter.

The OB 2018 of sub specialty chapters, Convenors of the IAP Presidential Action Plans and other committees formulated for the year are presented. The Editorial Board requests Zonal Vice Presidents for their 1 page input on activities in their respective zones.

All sub chapter OB are requested to create a team to update their respective chapter of the IAP Drug Formulary as the 5th hard copy Edition of the Formulary - IAP Drug Formulary 2019, that is to be released by year end, is one of the prestigious action plans of President Dr Santosh Soans.

Hoping to get inputs from all of you,

Thanking you,

Warm regards from the Editorial Board, Child India,

**Dr Jeeson C Unni**  
Editor-in-chief

## President's message

Dear Iapians,

Greeting from CIAP.

Its almost 2 months, since I have assumed office, time just flies. I am very happy to know that all the IAP City, District and State branches have started the activities for the present year. The IAP action plans 2018-2019 are in the final phase of roll out. We had Essential Pediatric Intensive Care Course and Essential Pediatric Infectious Disease course launched in Karamsad and Rajkot of Gujarat. The National Coordinator/ Convener with the help of the 5 Zonal Vice Presidents are finalizing the roll out of the IAP action plans.

The pedicon 2019 dates are finalized to be held on 06th-10th of February at MMRD Grounds, Mumbai. Dr Remesh Kumar HSG, CIAP 1st Secretary from outside Mumbai is working overtime to come in grips with the nategrity of office. I wish to congratulate Child India team bringing out such a beautiful e-newsletter.

With regards,

**Dr. Santosh T. Soans**

## Secretary's Message

Dear Friends,

The 3rd issue of Child India is in place keeping the members across the country apprised about the organisational activities of our Academy. The Presidential Action Plan is already on the roll & with the signing of few more MoUs this week, almost all the programs envisaged by our President & President Elect will be spread out for the branches this month itself. The Committees formed by the President for various dedicated purposes have already started working and many of them had an initial round of deliberations to improvise the functioning of IAP to the best possible standards.

We request all the Branch Office Bearers to take up the activities in a proactive manner & more so, report them to the CIAP Office with a copy to the Editor, ChildIndia Nesletter at "childindianewletter@gmail.com".

Warm regards

**Remesh Kumar R.**

Honorary Secretary General
