Editor's Note

Dear Colleagues,

The October issue of Child India is happy to announce that IAP Action Plans are being conducted all over the country with aplomb. Academics is being streamed with evidence based modules.

We celebrated the IAP Antimicrobial Awareness Week between Sept. 28, 2018 to 5th Oct. 2018. The theme is

"USE judiciously or you may lose the war. Choice is yours". Hope reports of these programs have been submitted to IAP CO for awards. October is the Cerebral palsy awareness month and Cerebral Palsy Day was celebrated on Saturday 6th October 2018. Do prepare to celebrate The IAP Child & Adolescent Health Care Week (CAHCW) on any week that essentially includes 14th November 2018. The Theme is **"Neither an adult nor a child, be their guide"**, The 1st Day of IAP Child & Adolescent Health Care Week (CAHCW) is to be celebrated as "Teenage Day". The theme for the Teenage Day is **"Listen to them, talk to them"**. **"Daughter's Day"** is to be celebrated on Sunday which falls on the Child & Adolescent Health Care Week (CAHCW). The theme for Daughter's Day is **"Empowering young girls - 'Learn to say NO'"**. IAP Healthy Lifestyle Day will be celebrated on any one day of the IAP Child and Adolescent Week, when IAP branches will focus on healthy lifestyle for children and adolescents. The theme is "Eat healthy, stay healthy". The Central Office invites entries for best CAHCW, Teenage Day, Daughter's Day and IAP Healthy Lifestyle Day celebrations award competition. These reports should be submitted on PEN DRIVE / CD / DVD in the format prescribed by Central IAP Office on or before 30th November 2018.

The Specialty Chapter National Conferences are being conducted all over the country and these academic feasts are also contributing to improving scientific and evidence based practices among pediatricians of our country.

Wishing you all a wonderful October of academics and ethical practices.

Jai IAP

Dr Jeelson C Unni
Editor-in-Chief

President's Message

Dear Iapians,

Greetings from CIAP team.

We are at the final quarter of the year which was vibrant , eventful kept us all busy in academics. Lot many things were done but still long way to go to finish what you thought of doing. From the euphoric moments of Bali on return was felicitated in many places at my hometown which really made me proud to be an IAPian. This month has been hectic again with so many activities.

1st day of the month itself I had to inaugurate and was guest of honor at IYCNCON and HMBCON at J N Medical College Belagavi and I was felicitated in the presence of Dr. VD Patil Registrar, Dr. Vivek Saoji Vice Chancellor and Dr. N.S. Mahantshetti Principal. From there I had to come to CIAP office where I inaugurated Mission Kishore Uday . I compliment the team led by Preeti Galagali for bringing out such a wonderful module. Next day was inauguration of EMBICON annual IAP Mumbai conference where I was a Chief Guest along with my HSG Dr. Remesh Kumar. Nothing like being recognized at your own place , was thrilled on being felicitated by my IAP D K branch for getting Outstanding Pediatrician Award on 7th September.

On 8th I was the Chief guest at Kohlapur conference where I had delivered Dr. Chitnis Memorial Oration who was the first pediatrician of Kohlapur. It was a great experience to be felicitated by typical Kohlapuri way . Next day I attended Mahapedicriticon at Thane where I met my Intensivist friends and delivered a talk on Upper Respiratory issues in PICU.

On 12th I was thrilled to meet our own Dr. Vinod Paul Niti Ayog member at his office New Delhi along with my joint secretary liaison Dr. Sangeeta Yadav. Lot many issues were discussed regarding role of IAP in advocacy, education and health policies. With Dr. Vinod Paul I am sure IAP can scale new heights.

The same weekend I had a pleasure and honor of inaugurating the 1st Yuva CME at Aurangabad. Among enthusiastic pediatricians so young I too felt going back to future. I gave a oration on IAP in 2050. On same evening I had to leave to Delhi to attend Quality Initiative workshop at AIIMS where pediatricians and obstetricians had come from across India.

President's Message

Next week IAP's President, President elect and President 2020 all three went together to attend Annual Conference of Sri Lankan college of pediatrics which is something like our Pedicon. I delivered a talk on Dynamic Management of Septic Shock in children which was well appreciated. President elect Dr. Digant Shastri and Dr. Bakul Parekh too delivered their talks. It was a very well organised conference with good academics and interaction. We had a meeting with Dr. Neena Modi President RCPCH regarding sending our young pediatricians for training in sub specialty. On return to Chennai me and President elect were involved in a hectic ACVIP meeting for two days. I should be grateful for the handwork put up by my ACVIP team to finish vaccine recommendation on time. We had opportunity to celebrate our president elect Dr. Digant shastri birthday during the ACVIP meeting. On Sunday 23rd I had opportunity to meet the Academic Giants like Dr. Sunit Singhi, Dr. Piyush Gupta, Dr. P Ramachandran, Dr. Mahadevan for Indian college of pediatrics meeting. Lot of work has been done in this regard hoping that we would be able to launch in coming year.

This year too, I had opportunity to attend Pediatric Academy of Telangana state Conference at Hyderabad which was held along with neuro developmental chapter. I should congratulate PATS office bearers especially Dr. Hima Bindu for conducting fabulous conference. Whenever any IAPian ask me to come to their branch I can't say no even if its at the remotest corner of India, so when Siliguri branch requested me to inaugurate their conference on Allergy Immunology I readily consented and spent my last Sunday of the month with the Siliguri IAPIans. I really appreciate their enthusiasm and commitment.

When your term is getting over you get a feeling "so near yet so far". There are so many things we wanted to do but still far from doing it. I take this opportunity to thank my HSG, President elect and all EB members and OB of 2018 for giving me support, affection and wishes to lead this great organization in to a better future.

With regards,

Dr. Santosh T. Soans

Secretary's Message

Dear Colleagues,

It has been a fabulous year for all of us in IAP. The last 10 months gave the Academy lot many activities worth replicating. The Action plan programs & workshops are taken in right earnest by our members across the country.

Meantime our flagship journal Indian Pediatrics has gone green with the default e copy in place instead of the print copies. www.iapindia.org has also been revamped with dedicated log in options for members, parents and public alike. We are trying to have the mobile apps in vogue for all events related to Central IAP. The long awaited 2018 Guidelines on Immunisation are to be published by 1st week of November.

With the Annual Conferences of State branches & Subspecialty Chapters in full swing, it is a hectic time for the office bearers as well as the members. I request all the branch office bearers to have their activity reports sent to Central IAP Office in time to be considered for the Annual IAP Awards to be presented in the National PEDICON.

Wish all the members a most enjoyable time with academics and socialization moving hand in hand at the Annual Conferences.

Warm regards,

Remesh Kumar R.

Hon. Secretary General 2018 & 2019

Mission Kishore Uday TOT and MKU Workshops under IAP Action Plan 2018-19

In September 2018, Mission Kishore Uday (MKU) TOT and MKU Workshops under IAP Action Plan 2018-19 were conducted in Mumbai, New Delhi and Ludhiana respectively. School programs were conducted in Ludhiana, Gwalior and Bangalore. In its month of launch, MKU program focusing on teen suicide prevention and intervention, reached out to 855 adolescents, 56 parents and teachers and 106 IAP members.

Stride TOT, Bhubaneswar

IAP Odisha organised STRIDE TOT programme at Hotel the New Marrison, Bhubaneswar supported by Central IAP on 18th August. This course was coordinated by Dr Prasant Ku Saboth, Secretary General, Odisha State IAP.

The TOT was attended by 80 selected IAP members from Odisha and was very interactive and informative.

The faculties who trained were: Dr Anand Sadhilya, Dr Sanjay Ghorepede, Dr Bakul Parekh.

This workshop was inaugurated by Dr Chintamani Panda, President Odisha IAP in the presence of Dr Arup Roy, VP, IAP East Zone. EB member – Dr Asutosh Mahapatra gave vote of thanks at the end of session.

Compiled by Fairos Nazri, Executive Secretary, APPA

INDIA GIANI FUND 2019

Dear Doctor,

You have been in the forefront in Indian Neonatology and have deputed scholars to the above mentioned fund for the past 11 years.

We are requesting the same this year also. Please identify dynamic neonatologists with scholarly pursuits to apply. Each scholar will rotate through a reputed NICU for 2 weeks and also attend the PAS (Pediatric Academic Societies) ANNUAL meeting held in the Spring.

The application form is in the American Academy of Pediatrics website, www.aap.org and under the “International” icon.

Alternately, India Giani Fund also can be accessed directly at www.indiagianifund.org.

For those who require details, may contact me directly by email.

The last date for applying is December 1, 2018. The Pediatric academic societies accept abstracts for presentation at their annual meeting in Baltimore till early January 2019. The annual meeting is in the last week of April and will be in Baltimore, Maryland.

Please give wide publicity to this with those who work with you and others interested.

Thank you,

Sincerely,

Vasudeva Kamath, MD

For India Giani Fund
