

GENERAL NOTIFICATION REGARDING UNAUTHORIZED WHATSAPP GROUPS

Dear IAP Members,

We would like to bring to your attention that there are some WhatsApp groups which are using the name and logo of the Indian Academy of Pediatrics (IAP) without our authorization. These groups are not affiliated with or endorsed by the IAP in any way. Some of our members have reported that they have been added to these groups without their consent and that they have received misleading information from these groups.

We strongly advise you to exercise caution and discretion while interacting with these groups. We also urge you to leave these groups immediately if you have been added to them without your consent.

Similarly, members are advised not to use IAP Logo in the webinars organised by them are not a part of official IAP Activity.

Thank you for your cooperation and understanding.

Dr Upendra Kinjawadekar
President, IAP 2023

Dr Vineet K Saxena
HSG, 2022 & 2023
